

Kabbalah

and the Psychotic Hell we live in

Welcome in Kabbalah-land

Torah - PsyOp & The Root Cause of all Evil

Foreword

- This presentation is part of a series I am writing about Kabbalah. That series is written in Dutch, to be found on archive.org;
- This presentation is about two things: 1. The Torah - PsyOp; and 2. the root cause of all evil.
- The jews are in the centre of a huge PsyOp of which they are, most probably, completely unaware;
- This PsyOp revolves around their psycho-pathology;
- In order to gain a better understanding of the psychology of trauma and to solve a conflict/trauma please read the book of Anima Diets on archive.org in English or Dutch;
- There will be names (Findas/Fryas/Lydas) and words that are unfamiliar to you;
- These are terms out of our oldest book: The Oera Linda Book. It is written in Diets. Unfortunately the translations available online of this book are very bad (deliberately I suspect). You can find my translations in part 1.5 , 2.1 and 2.2 of this series. It is in Dutch, I have had no time yet to translate the complete OLB in Dutch or English, some parts of the OLB are translated in English for this presentation;
- When you have read the book of Anima Diets you will know what is meant by SWAS ('DNA'). Our ancestors called it Mod (also Mod = courage). It is the place in our body where our Seele (soul) resides. Seele-Verbint = Soul-connection, it connects the brain/psyche with the Seele. The Seele is a 'frequency' = Tyd that connects us to our creator Wr'Alda. (In Diets: Wr'Alda = Over-Oldest and also = World (Dutch: wereld)). Ewa are the eternal laws imprinted in our Mod/SWAS/'DNA';
- Findas race is yellow or brown (the jews belong to the Brown Findas), Fryas is the white race, the Germanics. Lydas is the black race;
- The most important fact in the OLB, which is deliberately wrongly translated, is that our ancestors did NOT have a religion, they lived in reality. It was on the contrary forbidden to believe. Believing was called slavery, because it makes you a slave of your own thoughts. Frya means free: free from a master and free from your thoughts (beliefs). Anima Diets calls the place where all beliefs are stored the Filter;
- Although you miss out on a lot of research I have already posted on archive.org I feel that it is important to at least write this presentation in English, as it will help people to understand the root-cause of all our problems today;
- Only when you know the cause of the problem you are able to make the right decisions to solve that problem;

Foreword

- This presentation will address what I have concluded is the basis of the jewish religion aka collective psychosis and will explain what the root cause of all evil is;
- What we have established so far in this series:
- Modern 'science' was invented by Freemasons in order to eradicate Germanic (reality) science. It is based completely on Kabbalah: jewish hallucinations en fantasies;
- Anima Diets, in the book SeeleWysheit (SoulWisdom), wrote who created the world and how. This corresponds with the OLB, except for the part in which AD involves Mother Anima (Mother Seele). Who, we now know, was not a Creator but a real woman. She was the Mother of all Fryas: Frya. AD has combined Earth and Mother Anima. We also know now that Anima Mundi = Wr'Alda, not Mother Anima/Frya. However this does not negate the research and analysis;
- We have established that the OLB was not written in Frisian (as all translators deceptively state) but in Diets, our oldest language. Diets means Folk-language and also wisdom: bringing wisdom to the folk. (Diets is a mixture of Southern-Dutch/German/English, the source of our modern languages.) The OLB has nothing to do with Frisians, I will come back to that later in the series;
- Anima Diets, Frya and our ancestors all agree that we are supposed to live in reality, free from beliefs. Anima Diets shows how to accomplish that;
- 'Paganism' is not a religion of pagans/heathens but was the first jewish religion before they invented YHWH. This religion is already being described in the OLB, and we were warned not to fall for it. We are supposed to stay away from the Findas and their deceptive ways. They are described as con-artists and vampires. 'Paganism' was the first stage in getting Fryas away from reality and into their psychosis;
- We are currently discussing how the jews hate Wr'Alda and Fryas and are doing everything they can to go against the Ewa established by Wr'Alda and our ancestors, and force us to do the same;
- Before we move on to the issues to be discussed, first a summary of the OLB and SeeleWysheit;
- Reading help: the 'od' in Diets is in Dutch 'oed' and in English 'ood': god = good; Mod = Mood; Moder = mooder (mother): kroder = krooder. They all contain Od = Ood;
- In other words we have a good: Wr'Alda. He is called good because he only does good. Also good means something material, like an apple, a house. Therefore Wr'Alda is made of matter and is good-willing, The jews took the word written in Diets: god, to describe a flying psychopathic ghost in the sky, who is obviously not good. The exact opposite from Wr'Alda.

Wr'Alda, Frya & Éwa

(011) Tex Fryas.

Held bêid tha Frya, to tha lesta skilun hja my hwiter sja.

Thach thêra allêna mîi ik as fry kånna thêr nêñ slâf is fon ên ôther ni fon sine tochta.

Tex Fryas.

Hail is with the Frya (Free), at the end they will see me again.

However only those I can know as free who are not a slave of an other nor of their thoughts.

(032 – 033)

Thât word éwa is to frân vmbe an mîena sêka to nomande. Thervmbe heth mân vs êvin sega lêrth. Éwa thât sêit setma thêr bi aller mânnska êlik an hjara mod prenth send, til thju hja müge wéta hwat rjucht ånd vnrjucht sy ånd hwêrtrhvch hja weldich send vmbe hjara åjne dêda ånd tham fon ôrum to birjuchtande, thât wil sedsa alsâ nâka hja god ånd navt misdêdich vpbrocht send.

That word Éwa is too Frán (holy/precious) to be said (named) in public. Therefore they have taught us to say évin (even). Éwa are those Setma which are imprinted in the Mod of all people equally, in order that you can know what is right and wrong, and through which you are empowered to judge your own deeds and those of others, that means, in so far that you have been raised well (good) and not criminally.

(099) Wr.alda lêide êvge setma thet is éwa in al et skêpne, ånd thêr ne send nêñ gode setma jeftha hja moton thêrnêi tavlikt wêsa.

Wr'Alda laid down eternal Setma (laws) that is Éwa in al that is created, and there are no good Setma or they must be in accord with those already anchored.

(99)

Wr.alda is thju wishêd, ånd tha éwa thêr hju tavlikt heth, send tha boka wêrût wy lêra müge, ånd thêr nis nêne wishêd to findande ner to garjande buta tham.

Wr'Alda is that Wisdom, and the Éwa that he has anchored, are the books from which we can learn, and there is no wisdom to find nor to gather outside him.

Fryas are NOT Frisians, as the 'translators' make of it, Frisians are a mixture of Fryas, Findas and bastards: half-breeds of Fryas and Findas. They are not a single race and they are not Fryas = Free. They behave like the Findas, the jews: They came to the Netherlands with slaves. Slaves are strictly forbidden for any Frya. All 'translators' of the OLB 'translate' from Frisian. Now they could change the meaning of what our ancestors wrote.

Éwa

Anima Diets (= Seele Wisdom) told us the Éwa, given by Wr'Alda, which are stored in our Mod.

The jews stole all our books and even the OLB is not complete, so we do not have a written record. However, AD accessed the Mod and wrote them down. They are called the 8 Nature Pligten (duties).

The Éwa are NOT the Kabbalistic 'Natural Law' the jews are spewing all over the internet.

The 8 Nature Pligten

1. SELFgouvererenPligt: Only your SEELE gouvereneren you.
2. SELFrespectingPligt: Respect your SEELE with Diets: Waerheit & Realis.
3. SELFresponsibilityPligt: Only your SELF is responsible for your Lijf, behaviour, feelings & decisions.
4. SELFprotectionPligt: Do not do to another what you do not want to be done to your SELF.
5. SELFheilenPligt: Support your SEELE and Body by ensuring Veilicheit, Paix & the Liberteit to heilen.
6. SELFdefencePligt: Defend your SELF against attacks that bring your Lijf in danger.
7. SELFdeterminationPligt: Only your SEELE determines your Lijf-Path & your contribution in the Creation of an Erde in Paix & Liberteit.
8. SELFverbintPligt: Enter into an Anima-Verbint with other Germaanse SEELEN.

There is a Dutch and an English Version.

Gouverneren = to govern
Heilen = to heal
Verbint = to connect/Bond

The rest of our Éwa are written in the Oera Linda Book.

Wr'Alda (Father Tyd)

(101)

Wr.alda was êr alle thinga, ånd nêi alle thinga skil er wêsa.

Wr.alda is also êvg ånd hi is vnendlik, thervmb nis thêr nawet buta him.

Thrvc h ut Wr.aldas lêva warth tid ånd alle thinga bern, ånd sin lêva nimth tid ånd alle thinga wêi.

Thissa sêka moton klâr ånd bâr mâtad wrda by alle wisa, sâ thât hja-t an ôthera bithjuta ånd biwisa müge.

Wr'Alda was before all things, and after all things he will be.

Wr'Alda is thus eternal and he is without end, that is why there is nothing outside of him.

Throughout Wr'Aldas life all Tyd and all things are born, and his life takes Tyd and all things away.

These facts have to be made clear and open to all wise people, so that they and others can confirm and prove it.

What is being described here is that Wr'Alda is a (giant living) magnet. From Wr'Alda emerges all Tyd ('frequencies') which form everything on earth, including earth itself.

Anima Diets calls Wr'Alda Father Tyd: the source of all Tyd, and with that. all life on earth (P. 69):

What is Fire? Another word for fire is "frequency". Fire, heat, arises as a result of an increase in "frequency" of a substance, or by increasing the pressure, that is reducing the space between two "frequencies". The word I will use for "frequency" and pressure, fire, is Tyd. We have now therefore the two physical elements which are visible, Waeter and Aerde, and two invisible elements Aether and Tyd. Aether stands for Inertia/Rest = Paix & Veilicheit, and Tyd stands for Life/ Creation = Lijf & Liberteit. However Tyd can also be used to cause unrest and conflicts, OnVeilicheit and OnPaix. There is Centripetal, build up, Tyd and Centrifugal, destructive, Tyd. Waeter and Aerde are the elements which give the Centripetal Tyd, Creation = Lijf & Liberteit = Nature, its physical manifestation.

Paix = Peace, Veilicheit = Safety, Lijf = Life, Liberteit = Liberty. On- means no-

Besides the giant living magnet that built the earth, there are tiny living magnets in all life-forms who form the life-form.

In our body are trillions of tiny Wr'Aldas, called microzymas and bacteria who make our body operate the way it does: they make the brain think, the lungs breathe, the heart beat, they break down the food and damaged tissue and build up what is damaged/destroyed: healing of the tissues.

Bacteria are not little Satans who make you sick or want to kill you and which you have to murder by all means possible as the Jewish fairy-tale goes. These tiny Wr'Aldas are the reason you live. Without them you are dead: They create the Tyd needed for living and healing.

Anti-biotics and anti-bacterial soaps/gels are invented to kill you.

Wr'Alda & Kroder

Now we have force (pressure) and movement ("frequency") of the Tyd-spiral, and Inertia and the acceleration of reduction of the space between the Tyd-spirals to create Inertia. According to Ken: We

70

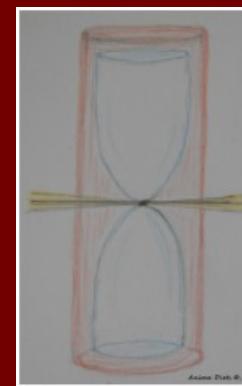

have two 'poles' in the magnet of which the magnetic waves come out clockwise. Because we look from the top to the bottom at the 'south pole' those waves are in mirror image. The wave is therefore 180° turned relative to the middle-point. The waves of the 'north pole' and 'south pole' are in mirror image and go centrifugal out of the hyperboloid and centripetal into the hyperboloid. In Nature it is exactly the other way around. Everything on Erde is aimed at the Creation of rest (Paix and Veilicheit). In Nature the Tyd discharge will not always come from two 'poles'. The composition of the Aerde-configurations which induce Tyd, will determine the discharge and power of the Tyd-field. Although it seems that also in Nature there can be cases of 'poles', with which I mean hyperboloids which send a Tyd-field in two directions, magnetite, a Natural "magnetic" stone, sends out Tyd in all directions. There is no duality, one-sided actions or other conflicts (OnVeilicheit) causing phenomena in Nature. There is no positive and negative, like in the artificial created world which is build around us. Everything is aimed at the cooperation of two phenomena which together create Rest: Paix & Veilicheit and Creation: Lijf & Liberteit. On that the whole of Nature, Erde, is focused and all Lijf on it is supposed to abide by it, because that is your Pligt on Erde: cooperation of men and women, the two 'mirror images', to Create Paix & Veilicheit (Rest) and Lijf & Liberteit (Creation).

The Kroder is the Tyd-field that emerges as a result of the pulse/heartbeat = Wr'Alda

(035) Hellenia andere, Frya het vs vppe wēi brocht ånd thene kroder thåt is tid, tham mot thåt ovriga dva.

Hel'Lénja answered: Frya has brought us on our way and his (Wr'Aldas) Kroder, that is Tyd, has to do the rest.

Wr'Alda is the centre of the magnet/ vortexes.

He is the pulse, the heartbeat, which generates Tyd.

He is therefore the centre (the heart) of the earth/world and the world itself.

Wal'Halla = the 2 vortexes. The place where everything eventually goes back to. It is therefore not the heaven (= ceiling/ attic) but the centre of the earth.

Tyd

My conclusion is that the Erde is made by means of a "magnet" of the elements Waeter and Aerde, with a north-vortex on the North pole and a south-vortex straight under that, the two vortexes of the "magnet". How exactly this is constructed I do not know, I did not build the Erde. Next to the 'head'-vortex on the North pole it looks like there are many more vortexes on the Erde. Also I suspect that it is not just the North pole itself that acts as a vortex but that there is a cooperation with the star Polaris. Out of a vortex

comes a centripetal Tyd, and after having swirled in sphere-shape, donut-form, the Tyd goes centrifugal into the opposite vortex. This double Tyd in the top vortex looks like a sunflower or pinecone. When you look into the vortex you see the shape of a cochlea, or flowers that come out of the bud.

Jol = The Wheel of Tyd

(045) Hwat hyr boppa ståt send thi tēkna fon thåt jol. Thåt is thåt forma sinnebild Wr.alda, åk fon t-anfang jeftha-t bijin, wêrut tid kêm, thåt is thene Kroder thér êvg mith thåt jol mot ommehlåpa.

What stands above are the signs of the Jol. That is the formal symbol of Wr'Alda, also of the Start also the Beginning, from where Tyd came, that is the Kroder which eternally has to circle with the Jol.

Seele-Tyd & Od

(006) Thåt is vsa forma skēdnise

This is our form/base history.

Lyda wārth ut glyande, Finda wārth ut hēta ånd Frya ut warme stof.

Wr'Alda who alone is good and eternal, made the beginning, after that came Tyd, Tyd formed all things, also earth. Earth gave birth to all grasses, herbs and trees, all the friendly animals and all the bad animals. Everything that was good and friendly, she brought by day and all that was evil and bad, she brought forth by night. After the twelfth Jol-feast she bore three girls. Lyda was from glowing, Finda from hot and Frya from warm dust.

Because they came naked (blank) Wr'Alda spiced them with his breath, so that mankind would be bound/bonded to him.

Then, when they were ripe they got fruits and nuts in the uterus.

Wr'aldas Od entered in them: and now they bore each twelve sons and twelve daughters each Jol-time twins. Thereof all mankind has come.

Alex Fryas Bern 2021

"Wr'Alda spiced the Moders (Mothers) with his breath (Adama), so that mankind would be bound to him": The animation: The Seele-Tyd, the bond, between every ones Mod and Wr'Alda. The Seele-Tyd activates the Mod/SWAS/'DNA', it brings it to life. Without the Seele-Tyd, most of the contents of the Mod will not function.

The Seele is a 'frequency'/Tyd that runs through the Mod. When you seriously breach the Éwa, Wr'Alda will remove the Tyd and you have become Seele-less: without Seele-Tyd.

Fruits = egg-cells, as in conception (Dutch lit. befruiting, come to fruition)

Nuts = seed-cells (Think sperm-cells in testicles), needed for the self-fertilisation.

Drāma = Uterus: The place where the action of composition is: 2 cells become 1 baby.

Od = creative force/Tyd, needed for the fertilisation: Combining of 2 cells needs to lead to offspring.

Ádama (breath) and Éwa (Even). Rings a bell? Adam and Eve were not people: they are the Seele-Tyd and Eternal Laws imprinted by Wr'Alda in our Mod. Our connection to our creator. Just one example of the many cases of stealing and twisting our books and stories by the Findas.

Introduction

- I am going to give a completely different interpretation of the Torah. What we have seen thus far is the literal execution of what is written in the Torah. In the mean time I have come to the conclusion that the Torah also has a completely different meaning and purpose, namely as an excuse for PTSD and preventing that the Findas will not murder their own folk entirely. (I will leave out for the moment who wrote the Torah and who eventually is going to dominate the world. I will refer to them with the word Top-Findas);
- The Torah mixes 2 things together. The first is what we have already seen: Everything they stole from us and twisted. The second is a handbook/manual for jews with post-traumatic-stress-disorder. Together it is the script for world-domination by the Findas;
- The problem they have, already had from the beginning, is that the Findas fight with each other. There has to be a manual in order to prevent that.
- In order to achieve the goal of world-domination you need psychopaths without conscience who do not scare away from murdering millions/billions of Fryas/Germanics. In order to reach that, they have invented circumcision: the most efficient way to produce killing-machines without a conscience;
- The manual in the Torah-mix is the 'normalization' of the psycho-pathology, that develops as a result of the circumcision, by means of fairy-tales and commandments of YaH (YHWH). All symptoms resulting from the extreme traumatic experience, which the circumcision is, are being 'explained' by means of the fairy-tales in the Torah;
- The Torah is meant to stop the, by means of circumcision created, psychopaths of murdering the Findas but redirect it towards the Fryas (the free Germanics): Amalek in the Torah. In addition the Torah is an excuse for the psycho-pathological symptoms of the traumatic experience at baby-age: the circumcision. And put the blame for all symptoms on the Fryas;
- Read and judge for yourself whether or not I am right.
- To remind you: the circumcision is being performed on boys who are **8 days** old. That means that the victims have no recollection of this at all;
- See part 2.3.1a where circumcision in Kabbalah is discussed. It will help to understand this part;
- The current jews have no idea what drives them and believe it is all a consequence of the fairy-tales written in the Torah;
- We start with the Explanation of trauma and its consequences.

Life-Threatening Conflict

The SEELE does not know emotions like the Psyche does. Emotions are hormone/drugs driven feelings, 'state of mind'. The SEELE only knows stages from conflict to PaLiVe, which you will sense (sensation), 'physical feelings'. For ease I will call the feelings attached to the SEELE 'sensis'.

In other words:

SEELE (Lijf) → Sensis
→ directed inwards

vs Psyche (Survival) → Emotions
→ directed outwards

OnPaix: Anger / Guilt

On Veilichtkeit: Fear

OnLiberteit: Grief / Depression

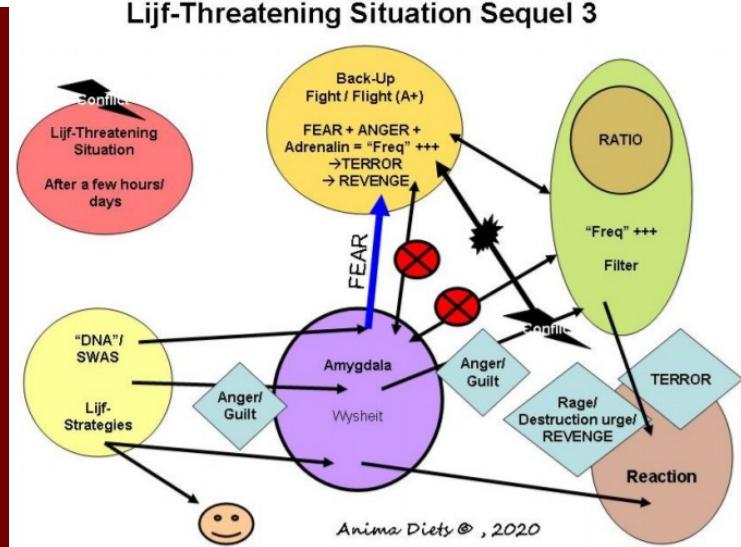

Paix, Liberté & Veilicheit: PaLiVe, Liif

Anima-Verbint/ Loven/ Love: Intense PaLiVe, Lijf (#(On = Nø))

Anger + Adrenalin: Rage / Hatred
Fear + Adrenalin: Stress / Terror / Paranoia
Lack of Adrenalin: Unhappy / 'Withdrawal'
Validation + Adrenalin: Happy / Euphoria
Validation + Adrenalin: "Love"

With 'Adrenalin' I mean, in this book, all hormones/drugs that elevate your "frequency" with emotions as a consequence.

Lif-Threatening Situation Sequel 3

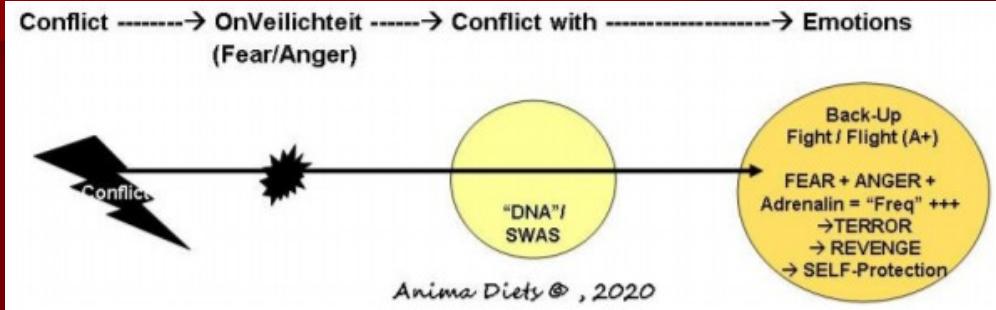

The circumcision is a life-threatening situation. Anima Diets has described what the consequences are of that in the short and Long term. The consequences will remain as long as the conflict has not been resolved.

We see here that it leads to:

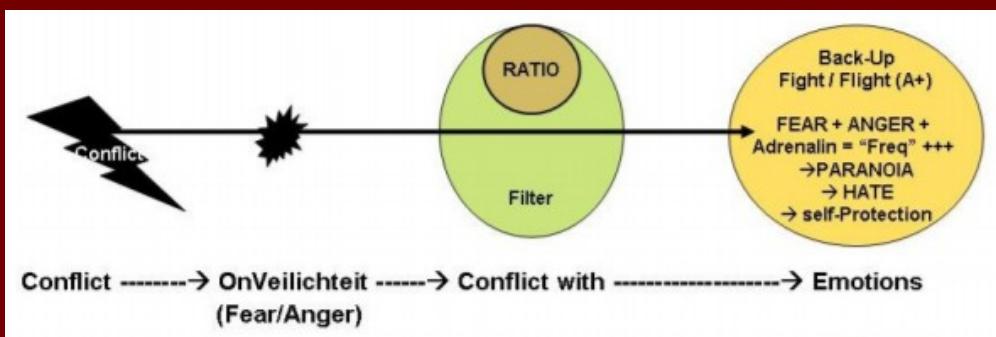

1. The disconnect of the Amygdala with as a result: no common sense/ wisdom/ self-thinking capacity (Think of Autism/ Asperger Syndrome);
2. The disconnect of the Seele with as a result: no conscience and never again feeling safe;
3. Heightened adrenalin production which enforces the sensis coming from the Seele: anger, guilt and fear;
4. Emotions which are being directed to the outside world as a consequence: rage/ destruction-urge/ revenge and terror (panic-fear/paranoia).

From out of the Seele Life-strategies are being developed: the (unconscious) adjustments in behaviour and body-functions in order to prevent it from happening again and/or keeping you alive (Think allergies/OCD/phobias and cancer/diabetes/other 'chronic diseases'.)

Un-safety

The first conflict, the circumcision, is a conflict with the Seele. The un-safety that comes from that results in the emotions: Terror, revenge and the urge to Self (Seele) -defence. Because it is a life-threatening situation the Seele is being closed off. When the conflict is not being Resolved immediately that state will remain to exist.

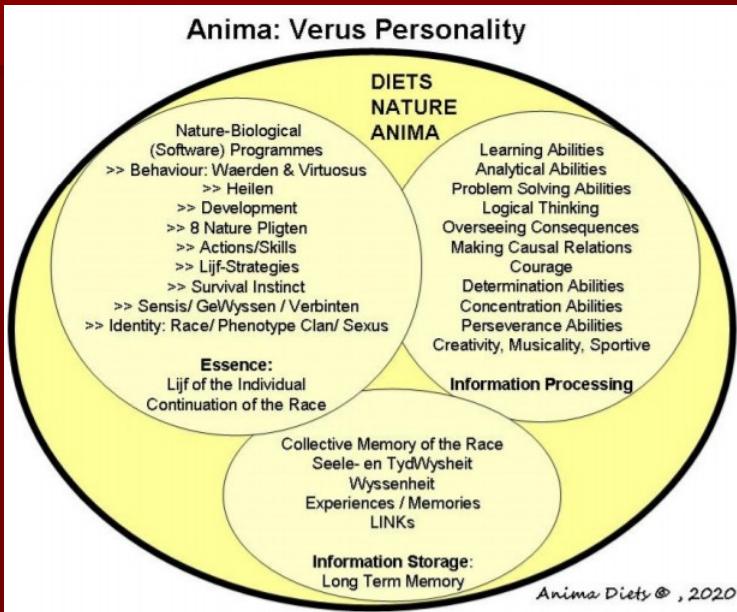

Since the Seele has been closed off the victim has to continue on the Back-Up: the Filter and the Hypothalamus (fight/flight state). The Filter only contains lies and fantasies. This means that every confrontation with truth and reality gives a conflict.

Each new conflict will lead to a heightened feeling of un-safety. As long as the original conflict is not being resolved and the Verbint (connection) with the Seele is restored this state will persist. The victim will never feel safe again. The emotions this has as a result are paranoia, hate and the continuous urge to self (Filter) -defence: the defence of the lies and fantasies in the Filter.

Loss Of The Seele-Verbint

'DNA' /
SWAS /
Mod

Waerden & Virtuosus

Waerden: Waerheit, Realis, Wysheit, Wyssenheit, geWyssen

Virtuosus: Respectful, Honourable, Generous, Noble, Decent

Waerheit =
Truth
Realis =
Reality

Gewyssen = conscience.

Wyssen = Knowing with proof = Science.

Wysheit = wisdom.

The loss of the Seele-Verbint (the connection between your brain and your Seele) is a loss of the capacities which are in the Seele (right circle) and the pre-programmed nature-biological programmes like identity, conscience, Éwa, virtues, Wisdom.

Only the Seele can give you the feeling of being at home. It does not matter where the individual is, as long as you have a Seele-Verbint you will feel at home: at home in your own body. Only then can you feel yourself to be truly safe.

Home is being connected to Wr'Alda, the Seele-Tyd. No Seele-Verbint, no connection to the Seele-Tyd = Wr'Alda anymore.

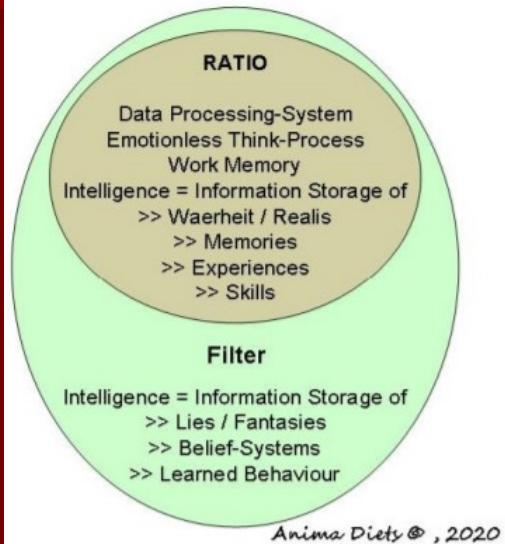

Without a Seele-Verbint you will never feel at home, you will never feel safe. There is a persistent state of fight/flight.

The Seele operates on truth and reality.

The loss of the Seele-Verbint leads to the situation that you have no longer a connection to truth/reality.

The Fictional Personality

Psyche: Fictional Personality

The larger the Filter, the more fictional the personality.

The word character already says it, it is fake. You have characters in films, series, books, these are all fictional personalities and these fictional personalities, characters, all have different character-trait. Which character-trait people have depends on what is in their Filter. The Back-up has only two options to react on a situation: Fight or Flight. Therefore there are 2 major categories of character-trait.

The option 'Flight'/'Avoid' results in passive aggressive behaviour and hysterical-fear-emotions, as a consequence of a lack of an adrenalin-shot: walk away from unpleasant situations, avoiding-behaviour, give up easily, never 'stand' for anything, never open your mouth when there is injustice on your path, no courage, blindly following others, need for a leader, need others to tell you what to do, avoid conflicts, wait till others have resolved the problem, dependence attitude, victim-behaviour, losing yourself in a fantasy-world, not wanting to face Realis, always have an excuse why you do not have to take the blame for your own bad behaviour, tell lies for "good-will", 'grey mice', submissive behaviour, 'ass-kissers', servility, worshipping, narcissism: obsession with the Fictional Personality, et cetera.

The option 'Fight'/'Resistance' on the contrary results in active aggressive behaviour and euphoria-emotions, as a consequence of an adrenalin-shot: urge to destroy (humans, animals, Nature or things), intense hatred, sex obsession, addictions, resistance, dominate, overrule, lead, starting conflicts, urge to possess (people or things), greed, being corrupt, commit fraud, play own judge, self-importance, appropriating yourself rights, jealousy, paranoia, tell lies to dominate, manipulate, diminish others, scoff, laughing at others, ridicule, bullying, black-mouthing, violent behaviour (psychological and physical), steal, rape, kill, manipulate others to kill for you, blackmailing, torture, superior-authority behaviour, monitoring, control others, spying, prescribe laws for others, interfering, criticize, making others into victims in order to feel better, attention-sick, needing to be popular, needed to be worshipped, need to have followers, the need to be 'right', disaster-tourism (getting 'high' on the misery of other people), et cetera.

A Verus Personality has none of these characteristics. → 0

Manic-depressive and borderline personalities are names for the switching between fight and flight.

These people have therefore characteristics of both. Which ones they show depends on the amount of adrenalin at that moment.

Now let us see what is written in the Torah.

Psycho-Pathology

Psycho-pathology as a result of Circumcision (and Incest)/ Life-strategies (Also called Post-Traumatic-Stress- Disorder in psychology)	Explanation/ solution in the Kabbalah: Ignore the symptom, project, search for solution (camouflage) or 'explaining' with the help of a fairy-tale.
Shut down of the Seele-Verbint	
No conscience	A book with prescribed laws about what is good and bad.
No feeling of being at home	YaH scatters them all over the world. They didn't have a homeland until 1948. The jews outside Israel do not have it and not living in Israel, is their excuse. The ones living in Israel have the excuse that there are also Palestinians living there.
No feeling of safety	Torah: Everybody hates the jews and wants to kill them. Nobody is allowed to have weapons only the jews are allowed. Prohibition of truth and reality. So the jews can feel safe.
No creative capacities/ problem-solving skills/etc. (Everything the jews write and think/invent is stolen from other people and twisted in such a way that it benefits them)	All non-jews are slaves of the jews and have to do the work for them. YaH has forbidden to make statues/ images of nature, everything that lives on or is in the earth.
No courage	The control and manipulation of governments who fight the wars the jews want to have, manipulating of others (like the blacks) to fight their fights. Always hidden behind the scenes, working in secret as YaH has commanded.
Functioning on the Filter. The development of a Fictional Personality	The jews are special. They have DNA from YaH, non-jews are animals. They are real people, the rest is cattle.
	The soul is in the Filter.
Psychopathic behaviour like murder, rape, stealing, burning down things/people	YaH commands them to murder, enslave, rape, steal, lie and set fires.
Pathological lying: believing that everything that is in the Filter is true. (There is only Torah and other Kabbalistic books in the Filter.)	Jews only speak truth/Torah and Torah is the truth. Everybody else lies. The foolishness of the non-believers.
Projecting of the Filter	All non-jews (namely the Heathens) are psychopaths, murderers, rapists, liars, thieves, deceivers, con-artists. In the Torah fairy-tales to confirm this.
Psychoses: Making the Filter 'true' in reality.	Command of YaH to the jews: they have to repair the world: Tikun Olam by executing the Torah.

Psycho-Pathology

Psycho-pathology as a result of Circumcision (and Incest) Life-strategies (Also called Post-Traumatic-Stress-Disorder in psychology)	Explanation/ solution in the Kabbalah: Ignore the symptom, project, search for solution (camouflage) or 'explaining' with the help of a fairy-tale.
Shut down of the Amygdala --> Autism	
Up and down cradling	= Sex with Shekhina.
The whole day has to be organised up to the minute, everything arranged in detail	By the Rabbis prescribed in the Talmud.
No self-thinking capacity (the jews can only repeat what is written in the books they wrote themselves)	There is only 1 truth and that is what is written in the Torah, there is nothing else. Self-thinking is for stupid people and fools according to YaH.
No empathy	We have to murder billions of non-jews, that is YaHs plan. There is no emotion necessary over this plan. The destruction of Fryasland with the help of 'refugees' is a good thing. No empathy for the victims of rape, murder and loss of homeland. It is all YaHs plan so no need for empathy, it is supposed to be this way.
No feelings of security/safety anymore	
OCD: Obsessive behaviour	The jews have a duty to read Torah, it is the only thing they have to do.
Rituals	Torah-reading, parties, idolatry all organised into detail, all with a lot of ceremonial doings.
Continually having a feeling of fear. Combined with adrenalin = Paranoia	Everybody hates the jews and want to murder them, according to YaH.
	Love = fear of YaH. The chronic fear is being explained as the fear of YaH. You can only love YaH by fearing him.
Self-defence	The jews have to defend themselves continuously against all these enemies (Amalek) who want to murder them. Kill first before the other gets the chance to kill you.
Hoarding to get a feeling of safety	All the money, wealth belong to the jews, according to YaH.
Hoarding of Nature	All natural resources, metals, precious stones, (agricultural) land, natural food, water, etc, belong to the jews, as YaH has commanded.
Hoarding of people	All non-jews are slaves of the jews. 2,800 slaves per jew when Moschiach comes. Just as YaH has prescribed it.

Psycho-Pathology

Psycho-pathology as a result of Circumcision (and Incest)/ Life-strategies (Also called Post-Traumatic-Stress-Disorder in psychology)	Explanation/ solution in the Kabbalah: Ignore the symptom, project, search for solution (camouflage) or 'explaining' with the help of a fairy-tale.
Self-hatred	
Blame the other for the self-hatred (anti-semitism)	It is a law of nature that all the non-jews hate the jews
Self-punishment	They have to live in dirty, filthy ghetto's (see Warsaw-ghetto WW2).
	Not allowed to take a shower till YaH gives permission.
Jealousy	
Jealous of the non-circumcised who have all the Seele-capacities	Projecting: all Germanics are jealous of the jews
Hatred/Destruction-force: To the outside projected self-hatred	
	Murder, mass-murder, torture, rape, child rape, enslave others promoted and encouraged by YaH.
	The destruction of non-psychiatric disturbed (Germanics) and what they have created: Command from YaH to eradicate Amalek and his memory.
	The torture of animals. Command from YaH because the animal has to be slaughtered in a kosher way.
	Destruction of nature and the earth, Command from YaH so he can build a new world.
Chronic Victimhood: Building your whole identity on the feeling of being a victim	
	The jews are the victim of all those evil and violent non-jews/anti-semites/"nazi's" (Amalek).
Filter: "Do to another what has been done to you"	
Generational victimhood	Circumcision and rape of the children, Commanded by YaH.
Generational victimhood	Victimhood of the jews is 'genetically determined'. Genetically determined 'holocaust' survivors. Kabbalistic genes-voodoo.
	Circumcision and rape in the Islam in order to give all brown-Findas the same psycho-pathology.
	Promotion of child abuse in Christianity in order to create victims.

Psycho-Pathology

<u>Psycho-pathology as a result of Circumcision (and Incest)/Life-strategies (Also called Post-Traumatic-Stress-Disorder in psychology)</u>	Explanation/ solution in the Kabbalah: Ignore the symptom, project, search for solution (camouflage) or 'explaining' with the help of a fairy-tale.
<u>Hallucinating</u>	These are visions of prophets or messages from angels, demons, YaH.
<u>Feelings of inferiority</u>	Jews are humble. The non-jews (Germanics) have a superiority-feeling.
<u>Continuously being offended/feeling attacked because reality is in conflict with the Filter</u>	In the whole world installing laws and censorship under the guise of anti-semitism/hate-speech in order to ensure that jews are not being confronted with reality anymore.
<u>Addiction/Enslaved</u>	
To their own Filter: Narcissism and extreme superiority-feelings	They are chosen by YaH, that is no superiority-feeling but a heavy burden.
To attention. Every day there have to be news reports in the media about jews, their victimhood, how great they are, how they are being hated.	According to the Kabbalah: the jews are the centre of the world, without the jews the world would not exist.
Sex-addiction/enslavement: (child-)rape, porn, child-pornography.	Satan challenges the jews. It is not them it is the evil-inclination of Satan.
Adrenalin addiction: drinking of adrenochrome: blood with adrenalin of babies, foetuses, scapegoats (Germanics). Cannibalism. Sadistic ritual abuse of children and Germanics.	They don't drink blood but 'wine'. People are allowed to be eaten as long as they are slaughtered in a kosher way. The casting out of demons with piquerism, rape. The rest comes from Satan.
<u>Torah-addicted/enslaved</u>	Not able to stop reading the Torah, YaHs commandment.
<u>Hysteria: An overreaction of self-defence when there is no threat at all, but something is being perceived as a threat.</u>	
	According to YaH a whole city has to be exterminated when there is only 1 person who has offended YaH or did not follow his commandments.

Psycho-Pathology

Psycho-pathology as a result of Circumcision (and Incest)/ Life-strategies (Also called Post-Traumatic-Stress-Disorder in psychology)	Explanation/ solution in the Kabbalah: Ignore the symptom, project, search for solution (camouflage) or 'explaining' with the help of a fairy-tale.
Distrusting everybody as a result of the fact that their own parents could not be trusted (tortured them)/paranoia	
	There is a worldwide conspiracy of non-jews to holocaust the jews. Every sentence they speak could be a code-word that would initiate the beginning of the mass-slaughter.
Everybody is against me	Every criticism is an attack. YaH has ordered that everybody who criticises the jews has to be jailed/ murdered.
Guilt-feelings	Compensated by the mantra: "It is not my fault". (The circumcision, the trauma what this is all about, was indeed not his fault). Everything is the fault of the scapegoat (Fryas), they, the jews, didn't do nothing.
Not being able to prevent the torture (circumcision), projecting that anger towards others	Torture of animals, children and non-jews, as commanded by YaH.
Arrested Development	
Baby-state: pooping, peeing and eating	
Poop and urine obsession	Kabbalistic 'medicine', Talmud prescriptions (jewish 'humour', Hollywood-movies about the 'holocaust' full with directions).
Need to be fed	The non-jews have to produce their food.
Not being able to take care of themselves	The non-jews have to provide for the jews financially, build their houses, etc. The jews gave us Jesus so now we have to take care of them as a thank you.
Projecting: The non-jews are not capable to take care of themselves and need a mummy and daddy aka a jewish government.	YaHs commandment to set up governments, laws, justice system, schools, etc.
Toddler-state: "If I don't have it then you cannot have it either."	
Never feeling PaLiVe: in peace, freedom, safety	Making others as miserable as possible with the help of the money-system and governments. Commanded by YaH.

Psycho-Pathology

Psycho-pathology as a result of Circumcision (and Incest)/ Life-strategies (Also called Post-Traumatic-Stress-Disorder in psychology)	Explanation/ solution in the Kabbalah: Ignore the symptom, project, search for solution (camouflage) or 'explaining' with the help of a fairy-tale.
Arrested Development	
Toddler-state: "If I don't have it then you cannot have it either."	
Not being able to find rest	Others are not allowed to find rest: school, work, hobbies, voluntary work, sports, TV, etc. Continuously being busy 24/7. Promoted by jewish government, media, 'experts'.
Physically and mentally weak	Making others physically and mentally weak: YaH gives them the command to become doctors and teachers. Mixing the races so they become weak.
Continuously being in a state of conflict, never being in peace	The world is continuously being kept in a state of conflict with the help of jewish 'democracy', economy, media, war, etc.
Having no feeling of being at home	According to the Kabbalah aka modern 'science' we are living on a spinning ball that spins with neck braking speed through an endless space continuously in danger of flying space-debris, space-stones and aliens.
Never feeling safe, never without fear	According to the Kabbalah we are continuously under threat of demons: viruses and bacteria who want to eat us and a sun who wants to kill us. Behind every bush is a Russian or terrorist who wants to kill us with the help of (imagined) nuclear energy/bombs or biological warfare.
Being humiliated by means of circumcision: no longer feeling a man	All non-circumcised have to be humiliated. Especially Germanic women.
Arrested Development	
Teenage-state: "If I can't change myself all the others have to change."	
Not being able to heal the conflict-state	The world has to be healed: Tikun Olam.
No control over themselves	The rest of the world has to be controlled: The whole world has been set up according to the Torah. Starting with dividing the world into countries in order to make the controlling easier: commanded by YaH.

Psycho-Pathology

Psycho-pathology as a result of Circumcision (and Incest)/ Life-strategies (Also called Post-Traumatic-Stress-Disorder in psychology)	Explanation/ solution in the Kabbalah: Ignore the symptom, project, search for solution (camouflage) or 'explaining' with the help of a fairy-tale.
Arrested Development	
Teenage-state: "If I can't change myself all the others have to change."	
Not being able to create a feeling of safety	The whole world has been arranged in such a way so that the jews can feel safe
As a consequence of the autism: not being able to think for themselves, organising their own lives	The whole world arranged in such a way that people are not allowed to think for themselves (with the help of education/media) and not allowed to organise their own lives. (government/global governance)
Hatred for the mother because she did not protect them. Hatred for women in general because they don't have a penis and therefore do not run the risk to loose their foreskin.	
	Extreme hatred for women, commanded by YaH in all religions.
Magical thinking	Kabbalah: everything is magic, numerology, gematria, code-language, modern 'science based fully in magic', etc.
Superstition	Kabbalah: wood-knocking, salt throwing, ladders, broken mirrors, Friday the 13th, etc.
	Demons, angels, devils
Egocentrism: the jews only take care of themselves	They are the most precious possession of YaH and they have to be well taken care of. Without the jews the world would not exist.

Disorders/Disabilities

Psycho-pathology as a result of Circumcision (and Incest)/ Life-strategies (Also called Post-Traumatic-Stress- Disorder in psychology)	Explanation/ solution in the Kabbalah: Ignore the symptom, project, search for solution (camouflage) or 'explaining' with the help of a fairy-tale.
Schizophrenia/ Psychoses: 2 traumatic experiences (biological shocks) at the same time or close after another. Boys: the circumcision + rape. Girls: 2 or more times raped.	
	The Torah, the fairytale-book as an escape into a fantasy-world. This makes sure the schizophrenics can feel safe because they are all living in the same fantasy-world. The Psychoses comes into existence because it is written in de Torah that they have to execute the fantasy. "The dog (=> god) made me do it". Wasn't that a phrase from a serial-killer? The jews have: "YaH made me do it."

We can go on for a while and discuss the whole DSM (psychiatric manual) but I assume that you understand by now. Around all aberrant behaviour a fairy-tale has been invented that the behaviour 'rationalises'. Their behaviour does not come from the traumatic experience but is the result of their 'history' and the will of YaH. The white-wash of the traumatic experience called circumcision. The girls are experiencing a replacement-circumcision: rape.

At the moment of the biological shock there will be a surge in adrenalin, causing the Tyd of the Mod to change, the development-programmes will stop to function. This means that there will be a (temporary) stop in the development of the baby, on all fronts: mentally and physically. When the Adrenalin level comes down the programmes will resume, however, there will be a gap in the development and that is why not all disabilities are the same for everyone. It depends on how long the programmes stopped working, and whether or not they started up again and at which speed.

We also have neurological disorders: "When Moschiach comes the colours will be more bright/more colours will appear." Probably as a result of the trauma they see everything in black and white, a test-image (TV), because of that the colours are not bright, or they are colour-blind. That would also explain why they always wear clothes in black and white. No such thing as occult voodoo, they just do not see colours;

Most neurological, psychological and psychiatric disorders are mostly present by the Findas, especially the jews. Direct result of the circumcision. Also homosexuality, paedophilia and transgenderism are mostly jewish aberrations as a consequence of circumcision and rape at a very young age;

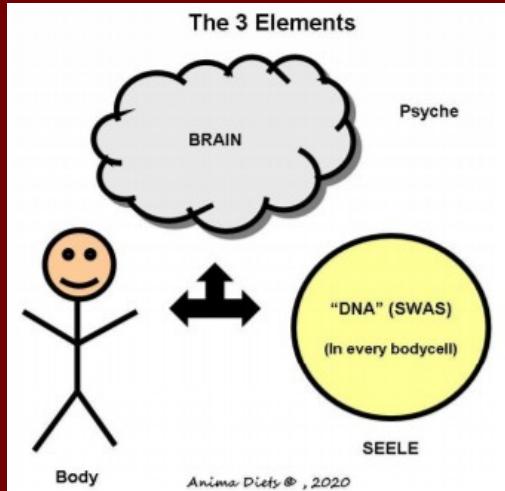

The Findas as a whole are more susceptible to psychiatric disorders (schizophrenia and psychosis) because they have a large Filter. That is the reason they are called Findas: Finders, finding out/inventing including fantasies and lies.

The 3 Races

As we learned from the OLB: The 3 races are each created with a specific strong feature: Findas have a well-developed Filter/Brain, Fryas have a well-developed Seele and Lydas have a well-developed body.

(141) Findas folk skil sina findingrikh   to m  na nitha wenda, th  t Lydas folk sina kr  fta   nd wi vsa wisdom.

Findas folk will employ their inventiveness for the community, that Lydas folk their strengths and we our wisdom.

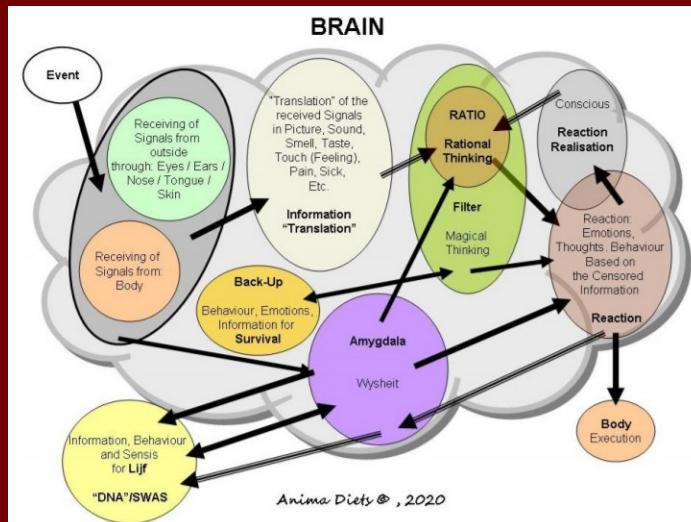

The field of psychiatry, psychology and 'psycho-therapy' was invented by jews. The 'diseases' of their psyche. Nothing in this field actually helps anybody, certainly not a Frya, because we do not have their brain/Filter and not their torture-culture.

3 elements that make up a human.

Also 3 races that make up humankind.

They all have to work together to make the body / community work. But they all have to be free. Otherwise it becomes a disaster: in your body and outside in the world.

Bastard races like the Ashkenazis and Phoenicians (most freemasons) have neither: They are useless. They do not have 1 good quality, they have a watered-down version of the races they are formed of.

Yah-Weh = Penis-Pain

- The name they invented for their 'god' has, according to me, nothing to do with bulls, volcanoes or whatever. In Dutch/German: Yah means 1: the pillar, the penis-symbol. Weh means pain. YHWH: Yah-Weh means Penis-Pain. The whole Jewish religion is concentrated around the worship of the Penis-Pain as a result of circumcision;
- The fairy-tale of YHWH and Abraham:
- YHWH only came into existence at the moment that Abraham (the pillar of the world) cut off a piece of his penis: then the Penis-Pain came into the world: Yah-Weh. It was the birth of the collective psychosis called Judaism;
- The Jews have a covenant with Penis-Pain, Yah-Weh, as a consequence of the circumcision;
- The Jews are not allowed to worship anything else but Yah-Weh, Penis-Pain;
- Idolatry is everything that is not Jewish. That is everything that has nothing to do with the collective psychosis which is the result of the circumcision. Living in Reality is therefore idolatry;
- The entire Jewish collective psychosis/religion consists of the unconscious obsessive urge to restore their penis, aka the restoration of the Seele-Verbint. Unconsciously they know that the circumcision is the reason that they never feel at home, they never feel safe. Everything in this collective psychosis/ religion is focussed on getting the foreskin (Seele-Verbint) back. That foreskin is called Moschiach, Holy Grail, Arc of the Covenant. Only when they will have their foreskin back they will be healed (Tikun Olam), have a Seele-Verbint, have peace (Shalom).

Torah

- 1. Torah = guideline, it leads the hatred, revenge, destruction-urge away from the guilty of the trauma, to the people who have nothing to do with it: the scapegoats. The Heathens (Fyas/Amalek) are the scapegoats for all their psycho-pathological symptoms because they are the only ones who see it for what it is: child-torture and child-abuse;
- 2. Torah = a manual written for the victims of the circumcision in order to 1. mask the consequences of circumcision; and 2. to prevent that they will torture, murder, etc. their own folk and will project everything on to others;
- The 10 commandments are meant to take care that they 1. do not release their rage on their own father and mother (honour your father and mother); 2. do not genocide their own folk (you will not kill); 3. Do not rape their own adult women (you will not commit adultery); 4. Do not steal from each other (you will not steal), but that they release all rage, hatred, destruction-urge, addictions/enslavements on the non-jews, that is the commandment of Yah-Weh. You shall not lie/bear false witness: you will not say anything that is not written in the Torah, what does not fit into the Psychosis. The prohibition of truth and reality, to prevent that the Seele-Verbint will ever be restored;
- Because of that there is the commandment that they are not allowed to go 'the way of the Heathens'. The biggest danger for the continuation of the psycho-pathological behaviour is that they will come into contact with people who do not display it. That has to be prevented. It would lead to the realisation that there is something wrong with them. That is why they are not allowed to mingle among the Heathens, not eat with them at the table (it is like eating with a dog) and have to live in separate ghettos. The Heathens are being portrayed as evil in order to prevent the jews from assimilating and start to show normal, healthy behaviour. The collective psychoses only stands up by the enormous amount of psychotic jews. When that diminishes it becomes 1. more difficult to keep the rest of the world in this psychotic state; 2. it becomes clear that the jews portray aberrant behaviour. Aberrant only exists as long as normal exists. The 'new normal' has to be that normal behaviour disappears and the psychotic state of the jews becomes 'normal'.

Foreskin = Seele-Verbint

- Circumcision is not just cutting off the foreskin, the act leads to cutting off the Seele-Verbint (truth/reality and conscience). Therefore the foreskin symbolises the Seele-Verbint;
- All christians are born in sin: with foreskin, the covenant with the Seele, a conscience. The foreskin, the Seele-Verbint, conscience, is the sin, the source of all evil, according to the jews;
- Anointed = Moschiach = Jesus = Christ = Corona = Crown = the foreskin, the Seele-Verbint;
- Jews (and Muslims) do not have sins because they do not have a foreskin. The jewish and muslim women do, they are the cause of all the rape. Therefore they have to be covered top to bottom with a sheet;
- Baptism: anointing of the Heart/Mod/Seele: symbolic circumcision: breaking the covenant with the Seele: go on without a conscience;
- Only christian women are being baptised (in the past that were only Fryas): the baptising dismantles them from the SeeleWisdom, Éwa and conscience;
- Jewish and muslim women are not being baptised, they are being raped as a child in order to 'circumcise'. Cutting off of conscience, the Seele-Verbint;
- Receiving a cross on ash-Wednesday after Carnaval (time of loose morals): symbolic circumcision, restore the covenant with Penis-Pain;
- Corona = foreskin. Coronation = the crowning of the king: the king receives a foreskin on his head: the crown/corona. The foreskin is the source of the jealousy. 'Stabbing to the crown' (Dutch expression), remember? Being jealous. They are jealous of the corona = foreskin;
- Gold, silver, jewels are symbolic for the foreskin. Crown-jewels;
- Covid-19: Demon 19, Corona-virus = foreskin - demon (Satan) has to be casted out. That is why the jews did not have corona-virus: they do not have a foreskin;
- Jesus: "The truth (Torah) will set you free." Free from a conscience and Seele-Verbint (reality);
- YHWH = 26 = 8. After the embryo-cell has doubled 3 times you have 8 cells, the 'seed of life', the Seele-Tyd enters the embryo and you will get the 'flower of life'. Circumcision is on day 8. Coincidence?

Moschiach = Foreskin

- The Moschiach who is coming: the foreskin. The jews are going to have their foreskin back and then finally all conflicts will be solved and they will have peace;
- Solomon's temple (penis) which has been destroyed already 2 times: the destruction of a part of the penis. The temple (penis) has to be rebuild for the third time: the third attempt to re-grow the penis. When the temple (penis) is ready the foreskin can grow on it again. When the temple (penis) is ready then Moschiach (foreskin) can come;
- At that moment the suffering of the jewish people will end: YHWH = Penis-Pain will end;
- Satan = HWHY = no Penis-Pain = uncircumcised, with a Seele-Verbint (contrary to popular BELIEVE). According to the jews: the Seele of the Fryas is evil, Satanic;
- Shoah = catastrophe. That catastrophe is the circumcision. From that moment on they had lost their sense of safety. The hope is that when they get their foreskin back they will also feel safe again;
- The first few thousand years they tried to get the foreskin back by building temples/synagogues and sacrifices. That failed. More than 100 years ago they started with the 6 million catastrophe in order to be allowed to get back home. I suspect that they started with a new tactic and put their hopes in that if 6 million were dead they would finally get their foreskin (safety) back;
- Going back to Israel: being whole again: getting the foreskin (safety) back. Now they have Israel. But still they are not feeling safe. Again it did not work and therefore now Moschiach (= foreskin = safety) has to come and the temple (penis) rebuild;
- Sacrificing their son to Molech: with the purpose to get the foreskin back. I suspect that all the sacrifices have only 1 goal: getting that foreskin back. The feeling of being at home, feeling safe again. The sacrifices are to Molech because Yah-Weh took away their foreskin and does not give it back. That is why they ask another 'god' for help.

Shoah = Circumcision

- Shoah = 'Holocaust' of 6 million who are being cut off = circumcision;
- In the past everybody believed the fairy-tales in the Torah and that was the excuse for their psycho-pathology. After that diminished the excuse was that they did not have a homeland. Since 1948 they have a homeland. From then on they had the excuse the 'holocaust'. But in the eighties we had children of 'survivors' with the same psycho-pathology. Then came the genes-voodoo in order to explain that the trauma of the 'holocaust' was genetic. So the psycho-pathology is a result of the grand-children being traumatised because they have been in a concentration-camp, received via their genes;
- That 'holocaust' is therefore essential for the existence of the whole collective psychosis (religion), it is the scapegoat for the loss of safety caused by the circumcision. As soon as that disappears there is no excuse anymore for their conscience-less, psychopathic behaviour. It can of course never be the result of the circumcision, that is holy and central to their collective psychosis/ religion. We Fryas are to blame for their behaviour;
- Returning to Israel without v is not without 6 (million) jews but without foreskin. Those 6 (million) stood for 'without sins', thus without foreskin. (In Kabbalah foreskin = sins);
- V = 6 = Foreskin. Think about all the movies with V = Victory, and the hand-sign V of Freemasons;
- 'Holocaust' of 6 million = Shoah is the circumcision: they can only go back to Israel without a foreskin. That was, according to me, the original meaning. So, according to their script they should have gone back to Israel, or wherever their holy land is, that is where Finda was born, at the moment they started cutting off their foreskin. That is what it says. No 'holocaust' but without V (vorhaut/voorhuid (German/Dutch)= foreskin) = without sins = circumcision = Shoah = catastrophe. A catastrophe for them, but certainly also for us. Still the propaganda of 6 million continues. Still they have not managed to feel safe. Israel is now their home, but what they really want is feeling at home in their own body: rest, peace, conflict free, they want to feel safe;
- Now you understand why anti-semitism is so important for the jews. All these actors playing 'nazis'/neo-nazis/rightwing-extremists and the hate-hoaxes by the jews themselves: it gives the jews the excuse why they do not feel safe, in addition they need to keep the jews away from the Heathens, the people with a Seele-Verbint, the so-called 'Satanists';
- 'Holocaust'-museums/-monuments are symbols for their circumcised penis = loss of safety/control = Shoah;

Exodus

- The Exodus is the most important story in the Torah/Judaism:
- The jews were 'slaves' in 'Egypt': Slave = being bonded = dependent on. They were bonded, dependent on, their Seele: truth/reality and conscience;
- Then they sacrificed/murdered their 'firstborns'. Firstborns = penis. They have cut off their foreskin. That is why they smeared circumcision-blood on their doorposts. They also have sacrificed/murdered lambs. A ritual to be no longer a lamb of their Seele (a child of Wr'Alda). They have ceremoniously cut themselves off from their Seele/Wr'Alda and shown it by smearing the blood of the circumcision and the dead lambs on their houses;
- On the way to their 'freedom', aka circumcision, in order to be free from their Seele/Wr'Alda they were stopped by the Amalekites. The Amalekites tried to keep them off from this madness, knowing what the consequence would be for the jews and the rest of the world when millions of conscience-less psychopaths are running around on the earth;
- The covenant that arose after their 'liberation' of 'slavery' is with Penis-Pain, by means of circumcision;
- The rainbow is the symbol of their covenant with Penis-Pain;
- Most probably during the circumcision the neurons in the brains explode due to the immense pain, there is probably no worse pain than this. This explosion of neurons could cause an explosion of colours. (If you have experienced serious pain yourself you will know that strange things happen in your brain.) Apparently they can remember that colour-explosion, it is the rainbow of the covenant with Penis-Pain;
- All of a sudden it is not so strange anymore that the homosexuals, child-rapists and men who let themselves being castrated because they feel like a 'woman' are walking around with a rainbow flag. The flag of the circumcision. The majority of these psychologically disturbed were victims of a circumcision.

Christianity

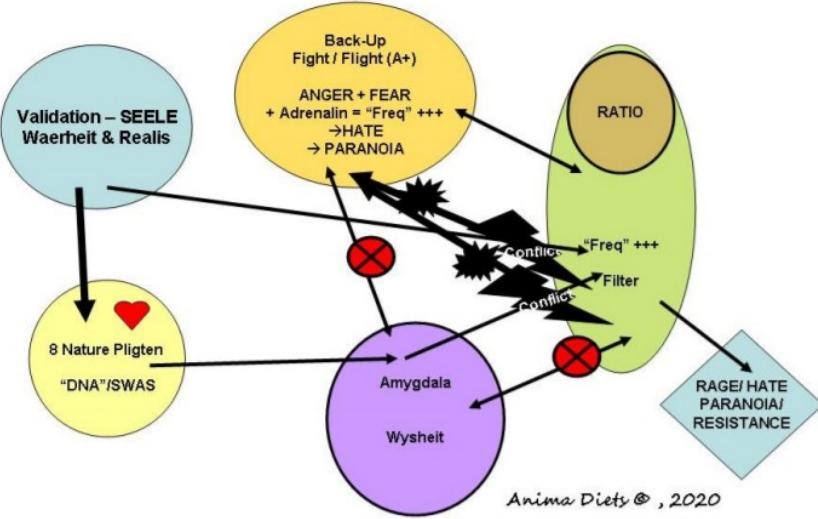

- Christians: The drinking of wine/blood of Jesus and the eating of the body of Christ;
- Jesus is YaHs penis as we have already seen in part 2.3.1a. Then he is being crucified/circumcised and comes back after 3 days as foreskin: Jesus the Moschiach = Jesus the foreskin;
- The crucifixion is the kiss of death (Kabbalah: X means kiss of death): the death of the Seele-Verbint: The bond with truth/reality and conscience;
- Every Sunday the jewish circumcision ritual: drinking wine with circumcision blood and eating of the foreskin;
- Jesus was 33 when he was being cut off: 33 (the freemason number) is the circumcision number: Cut off from truth/reality and the Seele/conscience;
- Christians are being circumcised around the heart/ Mod: The Seele-Verbint, is being cut off from the Heart/Mod/Seele;
- For the Christians Jesus is the Moschiach (foreskin). Their penis was never circumcised so they did not know that he was not the Moschiach. The Muslims and Jews did not get their foreskin back and so they know that Jesus was not the expected Moschiach;
- Therefore Jesus is only the Moschiach (foreskin) for the uncircumcised: the 'Satanists' (men with an uncircumcised penis and (penis-less) women);
- Christians = Foreskins;
- Christ is King => Foreskin is King;
- The Jews changed our calendar and our new year now starts in the middle of winter, in stead of the beginning of spring, when nature comes back to life. 1 January is the day Jesus was circumcised. That is what people celebrate every year: the day the Seele-Verbint is cut off.
- The reason I refer to YHWH as YaH, is because in their fairytales YaH is the male-part of YHWH. It is their holy number 6 (Y+H = 15). So, 666, the mark of the beast, is YH YH YH, 6 being the foreskin. The mark (foreskin) on the head: the crown, or in your hand. I suspect they mean another part of anatomy: killing all women and uncircumcised men. It could however also mean the hand, then they mean the Freemasons, they have a ring (foreskin) on their finger. According to the script they are going to kill all kings, because Moschiach is going to be the only king, and they are going to kill all uncircumcised people because they have no covenant with Penis-Pain, they have a covenant with Satan: the Seele-Verbint with Wr'Alda. They will decapitate under the 7 Noahide laws (rainbow anyone?) all Fryas: cutting of the foreskin (all sins) from the world.

Agenda 21 and 2030

- And then we arrive at the New World Order: The modernised version of the Torah, the UN/WEF/WHO agendas. All of a sudden all measures of the 'new world order' make sense: restore the loss of safety and control by forcing everybody to behave the jews want, so there will never be anything unexpected happening that will take away their safety further. Everybody has to adjust to the autistic ideal that the jews imagine, in order for them to feel safe and have control over their environment;
- These agendas are executed by the jews because it will give them a feeling of being safe, or so they think;
- People who feel unsafe as a result of a trauma take measures like extra locks, cameras, building a wall around their house, letting nobody inside the house because they do not trust anybody anymore, etc. Everything is meant in order for them to feel safe again. The problem is that the un-safety does not come from the outside, but from the inside of the traumatised victim. Because the measures do not work they will go further and further in controlling and manipulating their surroundings in the hope they will get their feeling of safety back;
- The greatest danger for the jewish safety are the people who live in reality. Every truth, every hint of reality results in more un-safety. Therefore care has to be taken that nobody ever speaks the truth or lives in reality;
- Let us now have a look at the Agendas:
- Enormous censorship of all truth/reality with the excuse that it is mis- or disinformation or anti-semitic. All truth and reality has to disappear from the public domain;
- There is a worldwide spy-apparatus via intelligence agencies (under control of the Mossad) in order to listen to everybody's conversations in search for the 'enemy' (Amalek) so they can be neutralised before they can attack. Those attacks you have to see broadly, since every hint of truth/reality is being seen as an attack;

Truth = Reality = Seele

Conflict Reaction: Validation Verus Personality

The jews not only have to fight the free people in their surroundings, also their own Seele (if they still have one) has become a source of conflicts. It is an internal conflict between truth/reality and lies/fantasies.

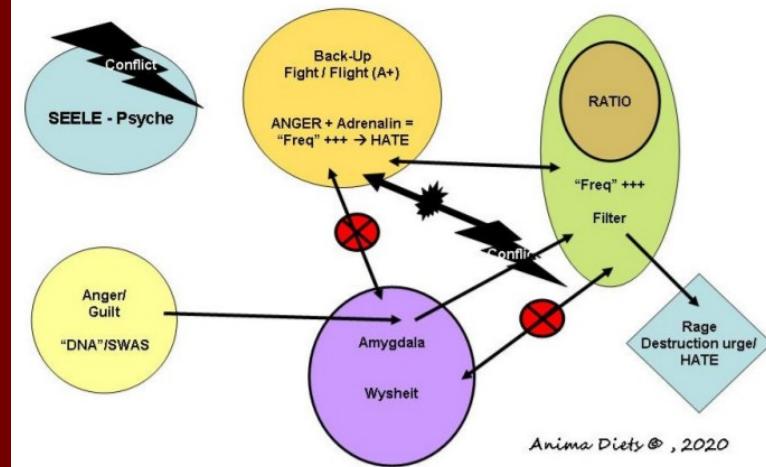

Every truth and reality results again in a conflict.

We see an increasing level of the emotions: Rage/Hatred. Paranoia and Resistance.

The jews become increasingly more hysterical as a result of 'mis- and disinformation aka truth and reality. In order to mask this they pay actors who play 'nazis', neo-nazis and rightwing-extremists in order to arouse more anti-semitism so the jews have an excuse for their hysteria.

At the same time increasingly more truth and reality is being censored. In speech and on the internet.

Conflict Reaction: SEELE - Psyche

Agenda 21 and 2030

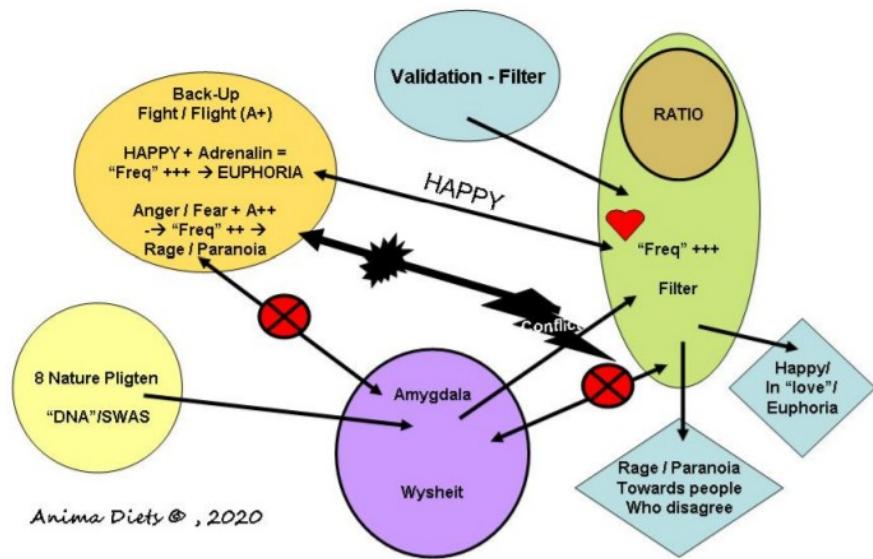

- Control/spying via: Smart-phones, digital ID, digital money, so they know and control what everybody thinks, says, does, buys;
- Everywhere cameras on the street and in public buildings. The will to be able to follow people in their houses with the help of 5G;
- Hurtling people in ghetto's, so they can be watched and controlled better. These will be the 15 minutes cities, so everybody can be controlled 24/7 and every 'misdeed' punished;
- It will be forbidden for people to take care of themselves. People who take care of themselves use their common sense, that could lead to unwanted thoughts, outside of the psychosis. That is not allowed because that would bring the safety of the jews in danger;
- Changing people in autistics: half robots/'chip' in their brains; In order to have full control over what goes on in a person. Taking care that nobody will ever think for him/herself again. People who think for themselves are a danger for the jewish safety;
- Do not get me wrong, they do not have all the crap they claim they have. You do not get a chip in your body, they only need to destroy your amygdala and you end up being an autistic 'robot'. Then they just feed you all day long with nonsense via TV and internet;
- They are already making sure the Americans (the most free Germanics) all turn into autistic 'robots' with the help of vaccinations (a life-threatening conflict);
- Taking care that all food is chemical and pushing pharma-products: this results in a weak physical and mental body, so people will be easier to control, govern. The weakening of the 'enemy' (Amalek) into a care-needing autistic, who need strict rules and day-rhythm set by a care-taker. That is what you are going to get;
- Despite all the Hollywood propaganda autistics are not intelligent, and you are not going to be more intelligent;

Agenda 21 and 2030

- Flooding Fryasland with Findas and Lydas, most of them are also circumcised. Same psychopathology so easier to drag into the psychosis. On the other hand taking care that as few Fryas as possible are left over, with the help of pharma-products and 'food', so the ghettos will be mostly occupied by people who behave just as the jews do. That increases their sense of safety;
- Forcing Fryas to mix with Findas and Lydas to create a use-less bastard-race of people who have no inventiveness, no body-strength and most importantly: no SeeleWisdom;
- The 7 Noahide laws in order to force people to wade around in the Psychosis and all people living in reality to be decapitated;
- We see an (alternative) media who are very busy to give jews an excuse for their sense of un-safety. There is an explosion of christian anti-semitism: "They killed Jesus", but also anti-semitism of 'nazis'/neo-nazis and other rightwing-extremists. All paid actors in order to 'rationalise' their feeling of un-safety. Further on all the hoaxes in which swastikas are being painted, attacks on synagogues, jewish businesses and schools, all staged in order to validate the feeling of un-safety caused by Amalek. The so-called 'nazis', neo-nazis and rightwing-extremists, most of them jews, all love Hitler because he supposedly killed 6 million jews. With that not only do they keep that psychosis alive but also the hoax that the current state of un-safety is supposedly caused by Amalek. A whole theatre in order to keep everybody away from where this really is all about: The trauma as a result of circumcision;
- The New World Order: All non-jews who survive the third Gog and Magog war have to become an autistic 'robot' without emotions, without self-thinking capacity or common sense and have to live an autistic life in which the jews will determine the day, up to the minute. Nothing and nobody is allowed to behave outside the boundaries the jews have set. Everything has to be done via the internet so they will have 100% control over what the 'autistics' do, say, think, buy, etc.;
- And no, there is no Moschiach (foreskin) coming back. This hell will just become worse day by day.

You Will Be Happy

Conflict Reaction: Validation Fictional Personality

When everybody has the same Psychosis in his/her Filter then there will only be validations of the Filter left. There will be no conflicts arising anymore caused by somebody coming along with truth or reality.

Nature is going to disappear, the earth will be burned down. Only the ghettos/ gulags will be left to exist. All reality is going to disappear in the World to Come.

When there is only the Psychosis left, everybody will be happy, once and for all.

No conflicts anymore, no arguments anymore, because everybody has the same opinions = delusions in their Filter. All the different delusions people have now will have been erased.

Schizophrenia: When you think that the lies and fantasies in your Filter are truth and reality.

Psychotic: When you start to manipulate your surroundings to conform to the lies and fantasies in your Filter and you are hearing voices (of 'gods', demons or angels) or seeing those in 'visions'.

Delusions = Opinions. Opinions are statements based on the lies and fantasies in the Filter.

Slavery: having to work day and night to feed the Filter and its needs.

The greatest challenges facing mankind are distinguishing reality from fantasy, and truth from propaganda.

Michael Crichton (1942–2008), American science fiction author

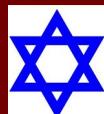

Freemasons

- Slave in the Torah is thus another word for people with a Seele-Verbint/conscience. 'Free' means free from a Seele-Verbint/conscience. Free from truth and reality;
- Free (without a Seele-Verbint) masons:
- They are wearing an apron, symbol for a circumcision: they have now visibly, in front of everybody, joined the army of Seele-less/conscience-less psychopaths;
- Freemasons are penis-builders, that is why they have build penises, obelisks, in the whole world. No idea whether they know what they are supposed to do: build a penis (Solomon's temple) so the foreskin (Moschiach) can grow again on the jewish penises;
- There is no hidden truth or undiscovered knowledge only the jews posses. They are being fooled. The whole YaH-Theatre is meant to obscure the consequences of child abuse and -torture. An excuse not to solve the conflict, to let the child abuse and -torture go on, and shift the blame of the trauma and its consequences on to the innocent scapegoats: the Fryas, all that so a clan of Findas, nobody has ever met, can take over the whole world;
- The Freemasons are slaves of the jews and of their own Filter: conscience-less psychopaths;
- In other words, the penis-builders let themselves be humiliated, bribed and blackmailed in order for the jews to get the foreskin they cut off back again;
- Freemasons are just a pathetic bunch of idiots who actually think they are smarter than the rest of us. Their stupidity is absolutely endless;
- They have zero power in this theatre, they obey all orders from the jews and they have absolutely no power over any Frya. No Frya is impressed by money or possessions;
- There is only one possession that has any value in this world and that is your own Seele;
- If you do not have that you are a nobody;
- What a theatre, in which the useless-eaters of this world fantasise about how important they are and the people who actually are real and important believing that it is true: Kissing their asses as much as they possibly can, turning themselves into perfect slaves. Oh boy, what a hell we have created.

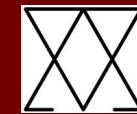

Conclusion: The Torah

- I hope I have been able to shine some light on the underlying purpose of the Torah;
- The Torah is a DSM, the psychiatric handbook, that does what all psychiatrists, psychologists and psychotherapists do: explain the symptoms through some fantasy and manipulate the Filter to mask the symptoms, so, as the ultimate goal, that the cause, the original conflict, will never be resolved and the psycho-pathology will stay in existence and the Seele-Verbint never be restored;
- The Torah leads the jews and everybody else who hangs on to it away from the problem and declares as evil-doers of all psycho-pathology the people who live in reality and have nothing to do with these barbaric practices: Amalek/Fryas/Heathens/Pagans;
- Judaism is a subconscious urge to get the foreskin, they lost on the 8th day, back. That foreskin stands for the Seele-Verbint, safety. Everything in this collective psychosis/religion revolves around the circumcision and the pain: Yah-Weh, Penis-Pain, The obsession for the coming of the Moschiach is the obsession for the coming of the foreskin, the Seele-Verbint, so that they can start feeling safe again;
- Yes, the jews are victims. But not from our barbaric behaviour, but from their own barbaric behaviour. No, whatever they do, no matter how much they will manipulate the world according to their wishes, the foreskin/Moschiach/Seele-Verbint/safety will never return, as long as they do not solve the initial conflict, the circumcision, within themselves;
- The jews have been manipulated to execute the plan for world-domination by a group of Top-Findas. The Top-Findas were using the psycho-pathology of the jews, resulting from the circumcision they were ordered to do by these Top-Findas, so they could use the jews as pawns, to do the dirty work for them. Most of the jews are schizophrenic, the top-layer (Chabad and Rabbis) are completely psychotic and they are manipulating/bribing/blackmailing everybody else to participate in their Psychosis: the YaH-Theatre;
- I am convinced the jews did not write this script. They are not capable of writing such a quite genius, I have to admit, plan. It is written by people who hate the jews, who have an absolute disdain for these people. Yes, the jews are the driving force of this whole YaH-Theatre. But the script they are executing is based on a giant hoax: the Torah. That book was written by the Top-Findas. No jew has that much self-knowledge that he would be able to write this book;
- This whole YaH-Theatre is a giant Hoax. It is not real, it only exists in people's Filters: it is just an illusion;
- Tell me: who came up with this symbol?

The jews, or

Arsenic symbol:

The star of David is constructed from deadly poison. Who would have come up with that?

The Root Of All Evil

- What the Findas want and have done from the beginning is forcing everybody to be a Filter-Slave: A slave of your own beliefs/thoughts;
- They could not care less what you believe, knowing that everything in your Filter comes from them and are all jewish fairy-tales;
- You can believe in modern 'science' and that you live on a spinning ball = spinning sephirot = YHWH;
- You can believe in the Abrahamic religions, worshipping YHWH;
- You can believe in Statism: 'democracy'/ communism/socialism/ republic/monarchy in which the government = YHWH;
- Or you can go back to the original Judaism, their first PsyOp to get people away from reality and start living on their Filter: 'paganism', in which Odin = the first YHWH;
- They do not give a damn what you believe as long as you do believe. Because all roads lead to YHWH;
- The only thing the jews are scared of is that people stop believing in whichever YHWH of their choice and start living in reality;
- That is why they translated the OLB in such a way in order to convince people to BELIEVE in Wr'Alda, as if he is some YHWH: a flying ghost in the sky and was worshipped as the jews do. No there was no religion, Wr'Alda is not a flying ghost but a giant living magnet, who created the world and is the world. The moment Wr'Alda stops emitting Tyd the world will cease to exist, because the whole world is being held together by Tyd: No Tyd no world. No Wr'Alda, no Tyd, no World (= no Wr'Alda).;
- Our ancestors were not stupid, they were the most intelligent people who ever walked this earth. They knew accurately who build the earth and how, they knew how to create communities living in freedom and peace. They taught the rest of the world how to do it. They built all great cultures, they built all the great structures and buildings;
- No there were no Tartars or Tartaria that built civilisations and buildings. Tartars are called tartars because they are a Finda-tribe who make war. Just another jewish PsyOp leading to YHWH.

The Root Of All Evil

- The root of all evil is not the jews, it is not the freemasons, it is not the Top-Findas;
- The root of all evil is the submission of people to their own Filter. The turning away from their Seele (truth/reality/Wr'Alda) and behave like a child living in a fantasy-world;
- Children who refuse to take responsibility for their own lives, their own thinking, their own decisions;
- People love crying and whining because the government, the 'scientist', the whoever lied to them. Nobody is being forced to believe anything some one else is saying. You yourself make the decision to believe. You have no one else to blame;
- Who cares these people lie? Ignore the idiots. You are a component of the root-cause of all evil: laziness, stupidity and submission. Just as our ancestors have told us. That is the root-cause of all evil;
- If everybody would stop believing and started to tell the truth and live in reality, the game would be over in a second;
- They do not have power over you, so do not give them the power by whining "the jews are our problem". You have the power to stop the madness. To stop being a slave. To stop believing. The jews are not the problem, the people believing all the jewish lies are the problem. The people willingly and eagerly participating in this Yah-Theatre are the problem;
- Our problems will not stop when we put the evil-doers in jail, we will just get a set of new ones. Our problem stops when people stop being the problem;
- Yes, it is a jewish theatre/psychosis we are in, but blaming the jews is ignoring your own part in this. Even if tomorrow all the jews would have disappeared the problem will not be solved;
- As long as people love their own lies and fantasies, nothing will change, unless the people themselves change and become a true Frya again: free from an other and free from their thoughts;
- Only if people reconnect with their Seele (Wr'Alda) and start living on their Seele (truth and reality) we can win this. If not the Findas will win easily. They have a way bigger Filter and are way more experienced to use that against us;
- It is all up to YOU.

But although everything is in Wr'Alda, the evil-doings of people is not from him. Evilness comes through laziness, submission and stupidity. Therefore it can damage the people, but never Wr'Alda.

Adam & Eve: Ádama & Éwa

- Remember Adam and Eve: The Seele-Tyd and Éwa?;
- In all religions it goes like this:
- A serpent came and told Eve, a Frya woman, to consume the fruit of the tree of knowledge and share it with Adam (the Frya man). It would make them wise and they would be able to distinguish good from evil;
- We are talking here about the Wisdom (Conscience / Éwa / Seele- & TydWisdom) Wr'Alda anchored in the tree of wisdom: our Mod/SWAS/ 'DNA';
- The serpent is Wr'Alda telling us to use the wisdom and Éwa he has anchored in our Mod;
- Now the jews call the serpent Satan and forbid everybody to consume the fruit. According to them our Seele (=Wr'Alda) is Satanic and evil;
- They have paid the most psychopathic people they could find to call themselves 'Satanists' in order to prove their point;
- Having a Seele-Verbint, living in reality and having a conscience is satanic and evil;
- All psychotic aka religious people agree on this point, including the psychotic worshippers of statism, modern 'science', 'paganism';
- The Seele (Wr'Aldas) Wisdom is passed on by the Frya women via their Mod;
- The Frya women have better access to the wisdom;
- Sex-hormones interfere with the Tyd of the Seele-Verbint;
- Men have testosterone, which interferes with the Tyd of the Verbint and therefore they need a woman, who is not sexually active, to access that wisdom. That is why we had virgins as Moders (mothers). We had a folk-Moder as the adviser for all our folk, and every community had a Burgt-Moder to advise the communities. Whatever the dispute, the Folk-Moder had the last word, she was chosen by the Folk to do just that: Advise and Monitor in order that all Fryas would live free and be equally wealthy, and in case of a dispute arising between the folk and their leaders (old wise-men (Greva), chosen by the people), she would make the decision what to do to solve the conflict. She had the last word and that would always be about restoring peace and freedom, even if that meant going against one of the Greva. Any leader who did not abide by Wr'Aldas Éwa was either removed, or, in case of a serious breach, killed. Leaders: not as in ordering people what to do, requesting obedience, but leaders as in showing the way and settle disputes.

Adam & Eve: Ádama & Éwa

- You can disagree with everything I have written in this presentation about our Seele, about Wr'Alda. The top-Findas count on it you do. They know I am right and they have done everything they can to prevent the one thing I am aiming at in this presentation: getting people out of their Fictional Personality and go back home to their Verus Personality: Anima, back home, back to Wr'Alda;
- Everything the executors of the script, the jews, are doing is in order to sever the connection, Seele-Verbint with our Seele = Wr'Alda, especially of the Frya Women:
 - 1. Women and girls are being brainwashed to behave as whores and have as much sex as possible;
 - 2. The whole New Age movement is about teaching women and girls, with the help of Yoga, Meditation and other techniques, to let their sex-energy flow through their bodies;
 - 3. Propaganda everywhere to force girls to have sex at the earliest age as possible;
 - 4. Propaganda everywhere to force people to fantasise about sex day and night;
- They want to eliminate the Seele-Verbint women, who do not have sex, have with Wr'Alda. They know that sex-energy eliminates the access to your Seele (Wr'Alda) and they do everything they can to prevent that access. The Seele-Verbint of a virgin is the most purest Tyd we have in us, and they want to corrupt it in every way they can come up with;
- I am pretty sure there are a lot of pieces of the puzzle that now fall into place in your head. Certainly the pieces in which men promote that girls get pregnant on a young age (I will leave all the names up to you, they all call themselves alpha-males. We will come back to that);
- 5. During Covid we had the collection of 'DNA' via a PCR-'test'. It was to collect the 'DNA' of women to figure out the 'frequencies'/Tyd the Seele-Tyd and the Seele-Verbint is running on. They are trying to produce an opposite Tyd that will flat-line the Seele-Tyd and Seele-Verbint;
- It is all about the jews ('YHWH') being jealous: Jealous of Wr'Alda and jealous of Fryas, because we Fryas were chosen to carry Wr'Aldas Wisdom. Although the jews might not be consciously aware of this, it is obvious from the script, Torah, what it is all about;
- The top-Findas knew they could only win this war for world-domination when they sever our connection to our own Seele, to Wr'Alda.

'Paganism'

- 'Paganism' is about Greek, Roman and Germanic 'gods'. Greeks and Romans were Findas (Rome was built by Findas). They were not our ancestors, we are talking jews and their kind. The Germanic 'gods' are not our 'gods', but real Fryas, turned into 'gods' by jews;
- Fryas did not have 'gods', Germanics is a recent term. Odin was just another YHWH, the one they had before they started cutting off their foreskin and the Penis-Pain came into the world. We had Od = creative-tyd, nothing to do with flying ghosts or 'gods';
- Going back to 'paganism' is not opposition, it is controlled opposition. It is Judaism 1.0 and the fall back state if all else fails. 'Paganism' has nothing to do with our ancestors and the 'paganism' of National Socialism was not going back to the first jewish 'gods', but going back to Wr'Alda. And that is the reason the whole of Germany had to be destroyed. They could not allow people to start investigating who and what Wr'Alda is. The only enemy of the jews are the real Pagans en Heathens: the people who live in reality, without a Filter, living solely on their Seele, having a Seele-Verbint with Wr'Alda;
- You go 'back' to 'paganism' you are as dumb, and submissive to jewish 'gods', as the Christians and Muslims are;
- According to 'paganism' you are not supposed to live on your Seele, your conscience, and there are no morals, what does that sound like to you? It is the Satanism PsyOp: the jewish scapegoat for everything bad that happens in the world;
- Grow up and stop begging and bribing jewish 'gods' to solve your problems, take responsibility for your own live and solve your own problems. 'Paganism' is a pathetic en childish fantasy-world, invented and promoted by pathetic and childish jews. A Frya does not need an imaginary friend to solve his/her problems;
- "Oh, let us play the role of the evil 'pagans' who did not have morals until the jews showed up. Let us go back to the law of the jungle just as in their script. Nothing the jews hate more then us playing the role of the villain in their script."
- Oh man, give me strength. Here we go again. Same tactic, same scam, same old, same old;
- I am getting so tired of the stupidity of people falling for the same scam over and over and over again;
- "I love Jesus, because the jews hate Jesus."; I love the spinning ball, because the jews hate the spinning ball."; "I love 'paganism', because the jews hate 'paganism'."; I love everything the jews CLAIM they hate." It is all a jewish PsyOp;
- Get out of the YaH-Theatre and get REAL;
- Stop participating in their script. Ignore the jews and all their lies. Start living in reality in stead of playing in their sandbox;
- They want you to believe, they want you to be schizophrenic. The only real opposition is to stop being schizophrenic.

Odin (/ˈoʊdɪn/;[1] from Old Norse: Óðinn) is a widely revered god in Germanic paganism. Norse mythology, the source of most surviving information about him, associates him with wisdom, healing, death, royalty, the gallows, knowledge, war, battle, victory, sorcery, poetry, frenzy, and the [runic alphabet](#), and depicts him as the husband of the goddess [Frigg](#). In wider Germanic mythology and paganism, the god was also known in Old English as [Wōden](#), in Old Saxon as [Uuôden](#), in Old Dutch as [Wuodan](#), in Old Frisian as [Wêda](#), and in Old High German as [Wuotan](#), all ultimately stemming from the Proto-Germanic theonym *Wōðanaz, meaning 'lord of frenzy', or 'leader of the possessed'.

Heathenry's origins lie in the 19th- and early 20th-century [Romanticism](#) which glorified the pre-Christian societies of Germanic Europe. [Völkisch](#) groups actively venerating the deities of these societies appeared in Germany and Austria during the 1900s and 1910s, although they largely dissolved following [Nazi Germany](#)'s defeat in [World War II](#). In the 1970s, new Heathen groups established in Europe and North America, developing into formalized organizations. A central division within the Heathen movement emerged surrounding the issue of race. Older groups adopted a [racialist](#) attitude—often termed "folkish" within the community—by viewing Heathenry as an ethnic or racial religion with inherent links to a [Germanic race](#). They believe it should be reserved for white people, particularly of northern European descent, and often combine the religion with [far right-wing](#) and [white supremacist](#) perspectives. A larger proportion of Heathens instead adopt a "universalist" perspective, holding that the religion is open to all, irrespective of ethnic or racial background.

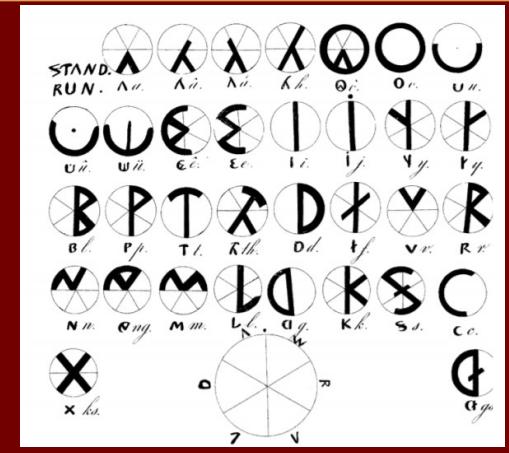

While the term [Heathenry](#) is used widely to describe the religion as a whole, many groups prefer different designations, influenced by their regional focus and ideological preferences. Heathens focusing on [Scandinavian sources](#) sometimes use [Ásatrú](#), [Vanatrú](#), or [Forn Sed](#); practitioners focusing on [Anglo-Saxon traditions](#) use [Fyrnsidu](#) or [Theodism](#); those emphasising [German traditions](#) use [Irminism](#); and those Heathens who espouse folkish and far-right perspectives tend to favor the terms [Odinism](#), [Wotanism](#), [Wodenism](#), or [Odalism](#). Scholarly estimates put the number of Heathens at no more than 20,000 worldwide, with communities of practitioners active in Europe, the Americas, and Australasia.

Odin = the first YHWH, same characteristics, same flying ghost, behaving like a jew.

No we did not have a runic alphabet. We received the alphabet and language from Wr'Alda and Frya based on the Jol.

Wotan was a real man who sold us out to the jews. After his death the jews made him a 'god'.

They want you to worship this traitor.

'Paganism'

Mishneh Torah, Foreign Worship and Customs of the Nations 1

Trans. by Eliyahu Touger, Moznaim Publishing

After many years passed, there arose people¹ - false prophets - who told [their nations] that God had commanded them to say:² Serve this star³ - or all the stars - sacrifice to it, offer libations to it, build a temple for it and make an image of it so that all people - including the women, the children, and the common people - could bow to it.

He would inform them of a form that he had conceived, and tell them that this is the image of the particular star, claiming that this was revealed to him in a prophetic vision.⁴ In this manner, the people began to make images in temples, under trees, and on the tops of mountains and hills.⁵

People would gather together and bow down to them⁶ and the [false prophets] would say: This image is the source of benefit or harm. It is appropriate to serve it and fear it. Their priests would tell them: This service will enable you to multiply and be successful. Do this and this,

That is what I am saying. 'Paganism' is judaism before they hallucinated and fantasised YaH into 'existence'. Before Penis-Pain became their 'god'. It has nothing to do with real Pagans or Heathens (Fryas), these are jews: Findas.

or do not do this or this.⁷

Subsequently, other deceivers arose and declared that a specific star, sphere, or angel⁸ had spoken to them and commanded them: Serve me in this manner. He would then relate a mode of service [telling them:] Do this, do not do this.⁹

Thus, these practices spread throughout the world. People would serve images with strange practices¹⁰ - one more distorted than the other - offer sacrifices to them, and bow down to them. As the years passed, [God's] glorious and awesome name was forgotten by the entire population. [It was no longer part of] their speech or thought, and they no longer knew Him.¹¹ Thus, all the common people, the women, and the children would know¹² only the image of wood or stone and the temples of stone to which they were trained from their childhood to bow down and serve, and in whose name they swore.¹³

This is copy-paste from our books.

This is how everybody was steered away from Wr'Alda.

The Eternal Rock:
Wr'Alda/Wal'halla: Rupes Nigra.

The wise men among them would¹⁴ think that there is no God other than the stars and spheres for whose sake, and in resemblance of which, they had made these images. The Eternal Rock¹⁵ was not recognized or known by anyone in the world, with the exception of a [few] individuals:¹⁶ for example, Chanoch, Metushelach, Noach, Shem, and Ever. The world continued in this fashion until the pillar of the world - the Patriarch Abraham - was born.

And then at the end of course the jewish 'solution'.

Himmler & Heathens

Thanks to Kat the Fryan: rosettedelacroix.com
Heinrich Himmler:

They are true saints, for they have preserved their healthy inner selves, despite the priests cassocks. They fought the enemy with his own weapon. People called them "HEATHENS". A few were so proud of this title that they incorporated it into their names, as one might don a precious jewel. For the heathen is one who remains true to himself and his kind, whose blood flows pure in his veins. And this pure blood regards the world with neither the hateful sneer of Sinai or the weak knees of Nazareth. It bears divinity, pure, clear and beautiful in its red stream, so long as the race endures. None of these men has ever sought God. One does not seek that which dwells in one's own soul.

None of these men has ever been torn with doubt about the divine. Only he who betrays the divinity in himself and offers his soul to an alien god knows such doubt. Doubt is eternal where there is the eternal alien, and thereby the eternal unknown. The Christian is an eternal doubter.

Can any man be loyal, who is disloyal to himself? Can any man be great, who is consumed with a longing to return to dust? Can any man be strong, who loves weakness? Can any man be proud, who wanders along in humility? Can any man be pure, who regards himself born in sin? Can any man be happy in this world, who despises the world? And can any man bear the Creator in his soul, who despises divine Creation?

Jesus the Jew:

"Hate your family, your folk and yourself. (Lucas 14: 25-27).
But love your enemy, the Jews."

What a strange god you Christians have, who created you upright, but who commands you to crawl to him on your knees!

We heathens do not beg to our Creator; it would be an insult to the divinity in our souls.

Nor do we heathens come to the Creator to complain. We do not proclaim our failures to the world and least of all not to the Creator. We seek to overcome our faults and to grow.

Our way is not complaining, but anger – and first of all anger against ourselves. Nor do we repent, we heathens, because we cannot be cowardly; we have the courage to stand by our deeds. Why have you Christians made the name "Heathen" an insult? You should not peddle your pettiness in the streets, for it permits people to see that the love you are commanded to display is bound up with hate, and that the forgiveness your religion requires of you is burdened with your desire for vengeance. Only the envious stoop to insults.

We see your envy and are ashamed for you, since many of you are still brothers of our blood.

There was a time when it was a disgrace to be a Christian. But then you began to conquer the masses and so you were able to turn the tables and make virtue a disgrace. Then you labeled us the "strange" ones and called us heathens. We have remained "strange", despite your insults. We will never be a mass or a herd. Do you know that there are, also, many among you who are "strange" as we are? Why do you not throw away the beggar's rags which cover the noble garments of your manhood?

The' paganism' of the National Socialists was not submission to a bunch of jewish 'gods'.

They knew Wr'Alda is in our body. We will come back to this.

Himmler & The OLB

Are you ashamed to be "strange"? Afraid to be called heathens? When you Christians have finished burying your god in the sky – come to us; we heathens will again show you the Creator. And do not think we have settled accounts with you Christians. We weigh silently – but we do not weigh with false weights.

We do not deceive the God in us, since we do not deceive ourselves. And as we have weighed justly, so have we calculated, so we would be reckoned with justly by God for our souls You see, we do not repent, since we have nothing to repent. Our value lacks nothing. We retained and preserved our whole worth And now you weigh! And when you have weighed, calculated and evaluated, ask your envious spirit how much you have lost. He who has lost nothing of his worth is without envy – and without hatred for us heathens.

The petty man hates whatever is superior to him, while the great man admires it. The petty man pities whatever is beneath him, while the great man scorns it, if it merits his scorn, or he helps it up.

There in his cradle lies my son, reaching, reaching gleefully toward his ancestors' portraits on the wall.

This tiny, laughing bundle of life is the next step of the future of my race. I was the last step. He is the next. And behind me I see the path of my race passing back through the distant millennia until it is dimmed by the mist of time – for the generations which came before the earliest on the wall are, also, real. My race's entire path through time I do not know – but, I do know that I live and that I am only a link in the chain in which no link must fail, so long as my people live. Otherwise, I never would have been. For generations a parchment-bound book has been passed down through our family I open it and inscribe a yellowed page for my son: "Your life is not of this day and not of tomorrow. It is of the thousand years which came before you and the thousand years to come after you. During the thousand years before you, your blood was purely preserved, so that you would be who you are. Now you must preserve your blood, so that all of the generations of the next thousand years will honor you and thank you."

That is the meaning of life, that divinity, awakens in the blood. But only in pure blood does it live!

Of whom have I spoken? Of my ancestors? They are only a symbol of the Folk of which I am a living part.

To whom have I spoken? To my son? **My son is only a part of my Folk. The wisdom of a thousand generations slumbers in you.** Waken it and you have found the key which will open the doors of your truest aspirations. Only he who esteems himself is worthy of being a man. Only he is a man who bears the living past and future in himself, for only he is able to stand above the present hour. And only he who is master of the present is successful; he alone is fulfilled. As only in fulfillment is divinity. Thus sayeth the Voice of our Ancestors.

June 9, 1942

Seven years later, at a time when the outcome of the war was uncertain, we can see that Himmler still kept his views on the OLB and Christianity and was more determined than ever to help his fellow Germans break from this foreign desert religion.

Himmler & The OLB

Speech to top leaders of the SS, June 9, 1942 Berlin This speech was given on the same day as Heydrich's funeral in Berlin, an event that clearly concentrated Himmler's mind on his top priorities in life.

"We will have to deal with Christianity in a tougher way than hitherto. We must settle accounts with this Christianity, this greatest of plagues that could have happened to us in our history, which has weakened us in every conflict. If our generation does not do it then it would drag on for a long time. We must overcome it within ourselves. Today at Heydrich's funeral I intentionally expressed in my oration from my deepest conviction a belief in God, a belief in fate, in the ancient one as I called him - that is the old Germanic word: *Wralda*.

We shall once again have to find a new scale of values for our people: the scale of the macrocosm and the microcosm, the starry sky above us and the world in us, the world that we see in the microscope. The essence of these megalomaniacs, these Christians who talk of men ruling this world, must stop and be put back in its proper proportion. Man is nothing special at all. He is an insignificant part of this earth. If a big thunderstorm comes, he can do nothing about it. He cannot even predict it. He has no idea how a fly is constructed - however unpleasant, it is a miracle - or how a blossom is constructed. He must once again look with deep reverence into this world. Then he will acquire the right sense of proportion about what is above us, about how we are woven into this cycle.

Himmler obviously did not understand that our ancestors did not have a religion aka collective psychosis.

Then, on a different plane, something else must happen: we must once again be rooted in our ancestors and grandchildren, in this eternal chain and eternal sequence. By rooting our people in a deep ideological awareness of ancestors and grandchildren we must once more persuade them that they must have sons. We can do a very great deal. But everything that we do must be justifiable vis-à-vis the clan, our ancestors. If we do not secure this moral foundation which is the deepest and best because the most natural, we will not be able to overcome Christianity on this plane and create the Germanic Reich which will be a blessing for the earth. That is our mission as a nation on this earth. For thousands of years it has been the mission of this blond race to rule the earth and again and again to bring it happiness and culture."

In speech to senior naval officers (1943):

"... above us is an infinite wisdom. The Teutons had a beautiful expression for it: *Waralda*, the ancient. We may dispute how it can be revered and how in earthly terms it can be broken down into cults and varieties."

Source: "Heinrich Himmler: A Life" by Peter Longerich, page 266

"Atheism is the only world, or religious view that is not tolerated within the SS [...] I have not tolerated an atheist in the ranks of the SS. Every member has a deep faith in God, in what my ancestors called in their language *Waralda*, the ancient one, the one who is mightier than we are."

The other part of the form/basic teaching.

Among Findas folk are un-wise, who, through their over-inventiveness are so bad,
that they have convinced themselves, and deceiving the initiated, that they are the best part of Wr'Alda.
That their mind is the best part of Wr'Aldas mind and that Wr'Alda can only think with the help of their brain.
That every creature is a part of Wr'Aldas endless being, that they stole from us.
But their false reasoning and their unrestrained arrogance has brought them to go astray.
If their mind were Wr'Aldas mind, then Wr'Alda would be very dumb instead of enlightened and wise.
Because their mind always enslaves them to make beautiful statutes which they worship afterwards.

"Well the jews say 'paganism' is bad, so it must be good." No it is the same tactic they used to get people to worship the other jewish 'god': Jesus.

It is a scam, a PsyOp. They do not hate their first religion. They hate Fryas: Free People: free from others and free from their Filter.

But although everything is in Wr'Alda, the evil-doings of people is not from him.
Evilness comes through laziness, submission and stupidity.
Therefore it can damage the people, but never Wr'Alda.

Tex Fryas.

Hail is with the Frya (Free), at the end they will see me again.

However only those I can know as free who are not a slave of another nor of their thoughts.

'Paganism' is just another jewish scam.

Our ancestors were wiser than to fall for their cons and lies.

National Socialism

- Although Himmler and the SS went back to Wr'Alda, they had no idea who and what he was;
- The National Socialists were also living in a fantasy-world of for instance YHWH the spinning ball, and demons aka viruses and evil bacteria;
- Going back to National Socialism is not an option, for the simple reason that any government is just a bunch of people who enforce their fantasy-world on the citizens and tell them what to do and what to think;
- It worked to solve the immediate problems Germany had after WW1, but in the long run it would have ended up to be just as any other government in history: in tyranny;
- The world should not be divided in countries with governments, nor should there be a world government. Government means tyranny, no matter how good-willing it starts, it always ends up the same way;
- The SS asked Wr'Alda for help and he did not give it. Why? Because they violated the most basic law we have: People should govern themselves;
- In addition they were supposed to have a Moder and ask her advice before they started asking Wr'Alda for help. You first need to do everything you can yourself to solve a problem before you can ask Wr'Alda for help. Had they asked the Moder she would have given them the advice to dissolve the government and let people govern their own lives. She would have set them straight on all the fantasies they were believing in and were enforcing on the Germans. She would have told them to live in reality and mind their own business in stead of interfering in the lives of every single German. If they had done that, then they would have been in a position to ask for help;
- In stead, they ignored all German women with wisdom, with a pure and clear Seele-Verbint to Wr'Alda. They did what all men do: imagining that they are the best and brightest and women are a bunch of breeding chickens;
- All these people who want National Socialism back all want men to govern, to do the thinking, because they are way smarter than women, and it is left to the women to produce children and obey their husbands;
- Men may have an extra 'brain' hanging between their legs, but women have Wr'Aldas Wisdom, so you better start listening to them;

National Socialism

- All these men who want National Socialism back all call themselves alpha-males. Guess what. Alpha-males are men identifying themselves with a Fictional Personality: their Filter and the adrenalin filled Back-Up: in constant fight-mode;
- Why the adrenalin? Because they have an inferiority-complex, having been in contact with women who were more wise than they are. They are angry/jealous / scared of Frya women and now they have to prove to themselves that they are 'real' men by subjugating women so they can live up to the fantasy in their Filter;
- As 'proof' of course they point at feminists, the fake women, who tell other women they should be whores. Both of these groups are afraid of real women: Fryas, and work in unison to remove Frya women from public life so they will never be able to speak Wr'Aldas wisdom again;
- The possibility that they can create a world in peace and freedom is zero. They should all first solve all their internal conflicts and empty their Filter. Then they would be in a position to be chosen by the community-members to be a mediator in local conflicts;
- Interestingly, all nationalists (not just the National Socialists) want men to govern because men are more intelligent than women. If these men are so intelligent then why, why, why are they not capable of governing themselves? Why do they need someone else to tell them what to do and think. Why? Not so intelligent after all I guess;
- YOU might need another person to tell you what to do, but then you should just ask your parents to do that. Fryas do not need a government, we need freedom. There can never be freedom when there is a government. You have either the freedom to govern yourself or you have others/a government governing you, you cannot have both. Impossible;
- Freedom means free from a boss or master and free from thoughts;
- This propaganda all over the internet saying the Germans had 12 years of freedom is just that: jewish propaganda;
- They were not free from an other nor from their thoughts;
- Government is a jewish concept in order to control and manipulate people and their thoughts;
- No matter who is in that government, what their policies are or how friendly they appear or good-willing they claim to be. When you want to tell other people what to do and think, you are not a Frya, you are a slaveholder;
- The Germans are the people with the strongest Seele-Verbint to Wr'Alda. However they lost it when the jews took over the country, and corrupted everybody;

National Socialism

- Did Hitler ever point that fact out? No, he put all the blame of their problems on the jews. Removed all jews from high positions, media and entertainment. What did that do: a superficial solution: treating the symptoms;
- The National Socialists never went to the root-cause and removed that, they removed the jews;
- Why did they not remove the root-cause? Because, they either had no idea what that was or, in the worst case scenario, they knew it and hid it from the people;
- There was no Moder to teach the Germans how to live in freedom;
- Instead Hitler got himself a hero-status, a saviour of the people, he decided what people should believe as to how to live in 'freedom'. I am not saying that he did not love his people or that he not meant well, I do not know. What I am saying is, his solution was a jewish solution;
- In stead of teaching the people to stop believing, he removed all the jewish propaganda, told the people via Mein Kampf that Germans do not lie and they could be believed. Nowhere in his book is written that people should stop believing anything anybody says and should just use their connection to Wr'Alda and their common sense to find out what the truth is;
- This is what all controlled opposition also does: they first start with telling some truth and once people start trusting the idiots their followers will BELIEVE everything they say. The National Socialists told some truth, but not the whole truth and it was mixed with a lot of fantasies, jewish lies. They might not have been aware of that, but that is the whole reason you should never have a government, because any government, no matter how they call themselves, or present themselves, are made up of Fictional Personalities. And all Fictional Personalities have as their number one priority defending the lies and fantasies in their Filter;
- That is why we had local leaders, chosen by the people, who guided the communities. But when there was a conflict between them and the people, the issue went to the Moder and she, living solely on her Seele would judge in the issue and what she decided would be done. She was not hindered by a Fictional Personality forcing other people to believe the lies contained in the Filter;
- Anyone who assumes a leadership role, even if they did not have a Fictional Personality at the start, develops one immediately. It is up to the person how far they let their Fictional Personality take control, but there is no escaping the development;
- If you are not aware of it, you will have a difficult time keeping it in check, it will just run away with you, and it will determine everything you do and say. As priority protecting the Fictional Personality. That is why we were taught self-force: to keep the thoughts in check;

National Socialism

- Hitler never told the people to stop believing, solve their internal conflicts and live in reality. Why? Maybe he did not know any of this, either way, It would have been the death of the government. The end of his role as a saviour/hero of the German/Germanic people;
- The Germans/ Fryas are the most capable people on this earth to take care of themselves, the National Socialists prevented that from happening. Why were the Germans treated like children who need a parent to tell them what to do? They were kept in the jewish Matrix: they were never free. They were never able to govern themselves, they were being governed;
- The only problem they truly had was the national debt. You dissolve the nation and the debt disappears: No nation, no national debt. That was it, that was all they needed to do. And had they listened to a true Frya woman they would have known that;
- And that my fellow Fryas is why Wr'Alda never stepped in: National Socialism was not and will never be the solution to our problems. It is not according to Wr'Aldas Ewa. It is just another dead end that will never give us the freedom we Fryas need: Free from an other and free from thoughts;
- In addition, if the Germans had been taught to stop believing and live on their Seele none of them would have ever fallen for the brainwash after the war. Once you have learned to keep your Filter as empty as possible it becomes very hard to be brainwashed. Because everything people say will be investigated first. None of the Germans would have fallen for the holohoax, because they would have known that no Frya is capable of killing another person, except in self-defence. They would have known that;
- If the National Socialists had done what they should have done and that is after being elected educate the people in the SeeleWisdom and then dismantling the government, there would never have been a war, there would never have been concentration-camps, there would never have been tens of millions of Germans being raped and killed, there would never have been Germans subdued and brought to their knees by jewish lies. None of that would ever have happened;
- The National Socialists made the Germans pay for the concentration-camps, the building, the up-keep, the entertainment and keeping the jews and communists alive. The jews survived the war because they were in those camps, paid for by the German people, they were not in the cities and towns being bombed by Churchill. And then after the war the Germans were forced to pay till eternity for the up-keep of jews who survived the war, thanks to the German tax payers. The craziness is just insane;

National Socialism

- Without a government this all would never have happened and we would not be left with a large amount of Fryas suffering under a guilt-complex for something their grandparents never did, on the contrary they kept the jews alive, and the Germans of today had never any part in;
- No matter how many good policies the National Socialists had, the Germans were never free. In stead they had to obey the leader: the root of all evil: laziness, stupidity and submission: Too lazy to think for yourself, too dumb to govern yourself, submissive to an other person and Filter;
- The National Socialist government, just like any other government, encouraged believing blindly what the leaders say, telling the people they need others to govern and think for them, and obey, be submissive because the leaders know it all, way better than the people themselves;
- It is the basis of every government. Every Government. The Top-Findas, the script-writers, read all our books, they knew everything, and they used the knowledge of our ancestors against us. All of it;
- At first I also, like many, thought the National Socialists were truly trying to get us out of the YaH-Theatre. However, knowing now that they read the OLB, studied it, how come they did not act accordingly?;
- Were they in the end too stupid? Too arrogant? Too much in love with their own Filter? Or did they really not want the Germans to be free?;
- We will probably never know the answer, it does not matter anymore, what is done is done. However, we should not make the same mistake twice. We are supposed to learn from our mistakes and not repeating them over and over again.

(036 – 037) With alle rampum is rēd ånd help to findande, tha Wr.alda wil thåt wi hja selva soka skilon, til thju wi sterik skile wertha ånd wis. Nillath wi navt, thån lêt-er vsa trul ut trulla, til thju wi skilon erfåra, hwat nēi wisa dēdum ånd hwat nēi dvma dēdum folgath.

For every disaster advice and aid is to be found. The Wr'Alda wants us to search for them ourselves, in order for us to become strong and wise. If we do not want, then he will let us ulcerate the ulcer (dutch expression: experience the consequences), so we will experience what follows after wise deeds and what after dumb deeds.

he wants us to help each other. But also he wants that everybody is free and becomes wise.

The National Socialists went against both of Wr'Aldas wishes: the Germans were neither free nor encouraged to become wise. They should have known that Wr'Alda would let them experience the consequences of their stupidity.

‘Nationalism’

- There is no such thing as nationalism or national whatever;
- We Fryas lived in Fryasland and we had one ‘culture’: the SeeleWisdom-culture: living in freedom and wisdom = Diets = truth/reality;
- The jews came and divided Fryasland by drawing lines on a map, with that, they invented fake-countries. Then they installed fake-governments, gave us a fake-identity, a fake language, fake money, fake laws and a fake culture. Everybody entering the country gets a passport with the same fake-identity as the Fryas;
- None of it is real. It only exists in your Filter;
- There are only Fryas, Findas, Lydas and bastard races. Those races have their own culture. Fryas culture is based on freedom, the rest has a culture based on slavery. That is it. All the rest is a jewish construct, mind-fuck;
- So, all these hysterical people crying on the internet because one of these actors on the world-stage is claiming there is no such thing as a French culture or a German people, are schizophrenic. Because it is true, they are absolutely correct. The only reason the schizophrenics become hysterical is because they have a Filter filled with jewish fairy-tales, they have a Fictional Personality;
- In the ‘Netherlands’ we have a Torah country, with a Torah king and government, with Torah laws, a Torah/Kabbalah based education system, a Torah/Kabbalah based ‘health’-system, a Torah based money-system, a jewish installed identity, a jewish installed language and a jewish culture. Nothing in this country is real, absolutely nothing. All books and newspapers are written by jews, movies made by jews, jewish publishers, jewish singers, jewish TV personalities, jewish sportsmen/women, jewish academics, jewish mayors, I can go on and on and on;
- It is all a fantasy: There is no such thing as a dutch state, dutch government, dutch people, dutch language or dutch culture because there is no such thing as dutch. It is all in everybody's imagination;
- I am a Frya, living in Fryasland. In Fryasland there are no countries, no governments, no languages other than Diets, no culture other than Frydom (freedom) and Diets. The only reason you might think I am crazy is because you have a Filter stuffed with nationality crap. Nationality is meant to divide us Fryas and to brainwash you that we are all different from each other. We are not. We are all brothers and sisters, children of Frya, we do not have different languages, cultures, or whatever. We are one race, with one culture and one language. In stead of going along with this whole theatre, people should start realizing who they really are: a freeborn Frya, a free Seele with a culture based on freedom and a language called wisdom.

‘Nationalism’

- This whole nationalistic movement is one big jewish PsyOp , because there is only one nation and that is the jewish nation. All countries are jewish nations: all are artificially created countries, all modeled according to the Torah. There is no your country or your nationality because the whole foundation is laid down by jews. Nothing is yours. It is all fake. It is all a lie. It is all a fantasy, swimming around in your Filter;
- We have already discussed ‘the Netherlands’ in the Kabbalah-series. In short:
- ‘The Netherlands’ has a ‘king’ and government who are ruling by the ‘grace/mercy/approval of god’, YaH-Weh. Via a Voia-request, asking for proof of that, the government admitted they had no proof other than a bible verse: Romans 13. That is it;
- We the people are playing the part of the Romans in this YaH-Theatre in general. Specifically, we play the part of Jesus: 1. Corinthians 1:30.
- Hebrews 7 states that the government will exist of the most stupid and psychopathic people they can find (which they did), that we the human citizens will be declared dead for the law, live on as a person and will stand guarantee for the national-debt (the birth-certificate scam);
- Indeed in the Netherlands humans do not exist. In the laws there is only mentioning of persons, not humans. A person is a character in a theatre. Therefore the law has nothing to do with us Fryas, because we are humans, not persons. Therefore if you are a true Frya, the law has nothing to do with you, because you are not a character in this YaH-theatre;
- As long as people keep playing their designated roles, designated by the jews, the YaH-Theatre will be kept alive. When everybody becomes real, the theatre disappears, because it is all fake;
- You are participating in an interactive movie on a screen. When you switch off the screen the whole movie will disappear. It will not exist anymore;
- That is why they keep you engaged in this movie, they need you to never realize that the only thing you need to do is just switch off the screen;
- They have no power over anybody, they only have the illusion of power. It is all one giant hoax, kept alive by people who are too dumb, too lazy and too submissive to just press the button, switch off the YaH-Theatre/movie and start living in reality;
- All governments and empires that exist or ever existed are and were ALL jewish governments and empires, including the Roman Empire. We Fryas do not have governments, needed for an empire, we Fryas govern ourselves. That is the first Pligt (duty) we have, the most important one:

1. SELFgouvererenPligt: Only your SEELE gouvereneren you.

Offended

4.8.1 Emotion-rule: What others say to you can only "hurt" you, when it is in conflict with your Filter

You get enraged at another person when he/she says something that is contrary to a belief that you yourself have branded into your Filter, your Fictional Personality. This rage/aggression is not generated in your SEELE but in your Back-Up. A SEELE cannot be offended by other people, she is not interested in what other people think, only what you think. Only the Filter, your Fictional Personality, can get offended, hurt, by other people. Because you can only offend a belief, not the Wahrheit.

When somebody accuses you of being guilty of something, and you are unable to let it go with the thought: - *What do you know, you weren't there* -, then most probably you do feel guilty, but you do not want to admit that to yourself, because it opens a can of worms. Your SEELE Wys what the Wahrheit is, but you have programmed into your Filter an opposite belief. Your Filter is now offended because it is in a clash with the belief that you are not guilty.

Therefore if you get really angry about what another person tells you, this means that in your Filter is a belief that says the opposite. Probably you do indeed feel guilty about what the other person is mentioning but have convinced yourself you are not guilty. Whatever it is, an other person can only "hurt", offend, you when he/she confronts the Filter with a lie that is residing there.

Only a Lie, the Fictional Personality,
can be offended

The Wahrheit, the SEELE,
can never be offended

Anima Dicht ©, 2020

Whatever horrible thing another person says to you, if it is not corresponding with what your SEELE Wys, it can not touch you. Your SEELE Wys that it is not Verus, so it is not relevant what the other person believes. Wyssen is more important than believing. Wahrheit always trumps lies. If your SEELE Wys what the Wahrheit is, the lies of another person cannot "hurt" you. That is why it is so important to Wyssen who you are and to delete all lies out of your Filter. 'Name calling does not hurt', we say in the Netherlands. It does not hurt your SEELE, the only thing that feels hurt is the belief in your Filter. Once the Filter is empty name calling indeed does not hurt.

P. 389

Your Fictional Personality is a paranoid, schizophrenic, parasitic, psychopathic, destructive addict; you have to get rid of it if you want to be a Respectful, Honest, Self-sufficient, Trustworthy, Self-confident, Creative person, if you want to have a Lijf in Paix & Liberteit.

Tex Fryas.

Hail is with the Frya (Free), at the end they will see me again.

However only those I can know as free who are not a slave of an other nor of their thoughts.

p. 53

Are you offended? Guess what:

You can only offend a schizophrenic:
someone believing that his/her own fantasies
are reality.

Are you offended?

Then you are a schizophrenic:
a Reality Rejecter.
They will make a law to protect you.

P. 388

Let us all stop with 'fighting for peace' and let everybody give his/her own SEELE Liberteit. You are the one who can rid your world of a dictator, the dictator in your head. The Fictional Personality is the parasite which makes you a slave in order to serve his addictions, his wants and needs. You yourself are the slave of the worst dictator in existence. Your own Fictional Personality. So if you want to execute a revolution, if you want to abolish slavery, if you want to get rid of dictators. Give your SEELE the Liberteit and dismantle your Fictional Personality. That is the only real revolution which has Paix and Liberteit as a result.

You can only deny a lie.

Think about that when they call someone an evil
(whichever lie) -denier.

They will put the lie-denier in prison.

Schizophrenic

- Another word for Fictional Personality is schizophrenic. Everybody identifying him or herself with their Filter is schizophrenic. Therefore: A Fictional Personality is constantly offended, every time somebody tells the truth;
- People become completely hysterical when you say demons (= viruses) do not exist; you do not live on a spinning ball; there is no such thing as evolution; there is no such thing as DNA with genes; there was never a bible Jesus; there is no flying 'god' in the sky; the Torah is a book of jewish fairy-tales; the government is not your friend; there are no ghosts (= gasses) in the air or in your body; there is no climate-change because of an evil carbon ghost/kellipot (Co2); water is not 2 ghosts (gasses) bumping into each other; there was never a holocaust of 6 million jews; etc.
- Why do people get angry? Because they are schizophrenic. A schizophrenic gets angry at every truth being told, every hint of reality, because it threatens his world of fantasy;
- Nobody gets angry at people who tell a lie. Are you angry? Well you are angry at yourself because you believed the lie. That is what makes you angry and now you project it on someone else;
- Every time you get angry when people say something, you should ask yourself the question: "Why am I angry?" You are either angry because you believed a lie or you are angry because your fantasy-world is being 'attacked' by the truth;
- Nobody living in reality, who has solved all his/her inner-conflicts, will ever get angry at another person for what he/she says, never. No matter what. Because people living in reality have no anger towards themselves for believing in lies;
- People living in reality know they are surrounded by nothing but lies, because everybody lives on a Fictional Personality, everybody behaves and talks like a jew, there is no difference anymore. People lie continuously about everything, because they all have memorised all the jewish lies they learned at school, heard on TV or social media or read in a paper;
- Everything is a lie, and unlike all the others claiming that, I mean literally everything is a lie. From ghosts (gasses) in the air to photosynthesis, atoms, demons (viruses and bacteria), the workings of your body, the shape of the earth, the whole of 'history' and everything in between. EVERYTHING is a lie, because everything you have ever learned comes straight from the jewish Filters and a Filter contains ONLY lies and fantasies;
- In the book of Anima Diets you will find a more elaborate list of all the lies and fantasies in your Filter;

Right & Undisturbed

The more that a personality comes from the SEELE, the stronger the personality is, and the more the "personality" comes from the Filter the weaker the "personality" is. A strong personality does not need any other protection than those against physical attacks on the "DNA". A weak "personality" however, needs continuous protection against Waerheit and Realis. Think of a house built from stones and cement on a strong foundation in comparison to a tent pitched on quicksand. The later is continuously in a fight against the Natural elements and needs strong protection walls, the house on the other hand is resistant against rain and wind.

The protection wall, to protect this Fictional Personality, exists of disrespectful behaviour, destruction urge, verbal, emotional and/or physical violence and brainwash others to let them believe that their fantasy-world is "reality" and their lies are "truths". The more Fictional the personality is, the more aggressive the person will react on the smallest signs that the Fictional Personality is going to be dismantled. A SEELE, a Verus Personality, is therefore a danger to a Fictional Personality, since it is based on Waerheit and Realis. Because it is impossible to attack a Verus Personality, the tactic is to kill that person or make the person ridiculous in the eyes of other people: "character-assassination" it is called, but that is of course a wrong word, since the SEELE is not a character but a Verus Personality. The goal is to expel this person out of the community, physically or socially, and to make sure nobody will ever listen to this person any more.

The more a person identifies him/herself with his/her Fictional Personality, the more the SEELE-Verbint is being severed. She is after all in the way of the self-ruling—"right" the Filter has taken for himself. There can after all only be one captain on a ship calling the shots. Since normally your sensis guide your behaviour, this will seize to exist when the Amygdala has been shut down. In Nature this is meant in order to block Respectful behaviour and sensis when a human/animal is in danger. Now there is a need for disrespectful behaviour and emotions to secure the survival of the individual/animal. For this the Hypothalamus is designed. In a specific part of the Hypothalamus are the emotions and behaviour needed for the 'fight or flight' reaction. All these emotions are not focused on Respectful behaviour but in order to destroy, raseren, the other and guarantee the survival of the individual/animal.

An Anima (Verus Personality) becomes un-right and disturbed when a traumatic event/biological shock occurs. However, after solving the conflict the Anima becomes right and undisturbed again.

Also there is yet another meaning attached. Éwa are also like water: right, and un-right like water that is being disturbed by a storm-wind or something else. When water is being disturbed, then it becomes un-Éwa, un-right, but it urges eternally to become Éwa again. That is caused by its nature, like the urge to right and freedom that lies in Fryas children. This urge we got through Wr'Aldas spirit, our feeder, that thrives in Fryas children. That is why it will eternally stick in us. Éwa is also the other symbol of Wr'Aldas spirit, who is eternally right and stays undisturbed, even though things are going very bad in bodies.

The word rjucht = recht in Dutch, has several meanings, which are all linked. Éwa is like water = rjucht:

Right, Level, Straight, Law. (Right as in 'doing the right thing', we are NOT talking about 'you have rights': that is a jewish concept. You do not have 'rights', you have Pligten. 'Rights' is a jewish concept in which people have to give up freedoms so other people can have the 'right to' whatever, take your pick. Who has the right to give you rights? Yes, the jews, they own all the rights, and they can take them away anytime they want. No, you do not need the right to free-speech. Wr'Aldas gave you the ability to speak. That is all you need. Nobody has to give you permission, you already received the ability, use it. You do not need the permission from the jews to speak. Rights are a jewish illusion! Wr'Aldas gave us everything we need, we do not need to ask the jews to give us permission to use everything we received from Wr'Aldas. "Please jews allow me to talk, walk, see, hear, breathe." Are you kidding me?

Fictional Personality = Jellyfish

I hope herewith, I have made clear why it is important to empty your Filter. Your SEELE is in a prison, which is caused, being built, by the Filter. You can only give your SEELE Liberteit by getting rid of your Filter. The smaller the Filter becomes, the more your Verus Personality gets space to be able to express herself, the stronger your personality will become. It is in your SEELE where your Wysheit, Creativity and problem-solving skills reside. The more access you have to the information stored there, the more you will be able to see all of a sudden how you, continuously, are being manipulated by the media, government, "authorities", entertainment industry, "education", "science", et cetera, to break your SEELE-Verbint.

A SEELE who has the Liberteit to determine herSELF what is needed to Lijf is a stronger opponent than a Fictional Personality, who is way too busy surviving to concern himself with Lijf of the individual. A Fictional Personality is only interested in the survival of his own fantasy, who needs more and more: more money, more possessions, more pats on the back, more people who claim to "love" him, more attention, more..... A Fictional Personality has never enough, he cannot give only receive. In order for him to survive he needs always more, we call this 'having "ambition": higher status, more money, buy, buy, consume, consume, I need this, I need that, I want this, I want that, Only when I have this, or when that one "loves" me can I be "happy". A Fictional Personality, the Filter, can never feel PaLiVe. PaLiVe is a feeling that only resides in the SEELE.

A SEELE has outside the elements for Lijf: water, air, earth and fire, no material needs, and no urge to buy, consume, to gain more money or more possessions. You can only feel PaLiVe when your SEELE has Paix, Liberteit and Veilichtheit, can do what she has been tasked, verPligt is, to do. We have all come

Wyssen = Wysheit and comes from your SEELE. All the rest is believe. If you feel offended by what you are reading, when it evokes anger, you know it is clashing with a belief in your Filter. The only thing I am doing is giving you information. Information is always neutral. You either accept it or you do not. Information is never your enemy, if it feels like that then you have apparently something to defend. If you want to make an informed decision, about whatever in your Lijf, it is important to consider all information, not just what the government, media, "authorities" have decided you are allowed to know and which choices, options, you accordingly have. Lijf is not a multiple choice test. You decide which information is the right one and which decision or choice you are going to make. I can guarantee you that the right choice, more often than not, is not between the answers given to you, and that those seem only logical because you are considering only the information given to you by "authorities".

3. SELFresponsibilityPligt: Only yourSELF is responsible for your Lijf, behaviour, feelings & decisions.

When you survive with the belief: - *I don't believe in conspiracies*. - this book is not really meant for you, because it means that you are surviving so far off Realis that I cannot help you anymore. Apparently you believe that we survive in this utopian world in which only people who mean well work together to reach their goal, but it never crosses the mind of people who mean badly to work together to reach their goal. Conspiracy is just another word for organised crime which, according to you, does not exist. If that belief is defining your Fictional Personality, your SEELE is lost. You will never understand the Wahrheit and be able to look Realis in the face. All beliefs are "deadly" for the SEELE. But this one might be the worst.

Our spirit/mind is not Wr'Aldas spirit/mind, it is only a shadow image thereof. When Wr'Alda created us, he lend us, through his wisdom, brain, senses, memory and a lot of good attributes.

Herewith we can observe/consider his creatures and his Éwa. From that we can learn and about that we can talk, everything and solely for our own heil (good/health).

If Wr'Alda had not given us senses, then we would be ignorant and we would each be more helpless than a jellyfish, which is being propelled by low and high tide.

We are supposed to discuss reality, not lies and fantasies. That is why we have a brain, senses and common sense. Not arguing about which delusion is the best one.

By now you can put easily a thousand denier-labels on me. I am very proud of these labels. They are proof of all the lies of the whole YaH-Theatre I have already deleted from my Filter. From every detail of the government-system-hoax, to the economy/money-hoax, the moderns 'science'-hoax, the 'medical science'-hoax, the 'history'-hoax, and everything in between. I am proud to say I am a hardcore lie-denier;

They can jail me, they can try to shut me up, I will never stop denying lies. Because every lie is torture for my Seele. A Seele runs on truth and reality and every lie hurts the Seele very badly and makes you feel sick, depressed;

No one can force me to torture my own Seele.

Lying

=

Seele-torture

You speak
lies?

Your Seele
dies!

When Wr'Alda gave children to the Mothers of the human races, he laid down one language in all tongues and on all lips. This ability has Wr'Alda given to mankind, in order that men can together show one another to each other, what has to be avoided and what has to be pursued to find Seeligheid (soulness/bliss/beatitudo) and to keep Seeligheid in all eternity.

Wr'Alda is good and all-farseeing (forward looking).

Because he knew, that happiness and Seeligheid have to flee from earth, when evil can deceive virtues. Therefore he has tied into the language a righteous property. This property lies in that, that men can speak no lie, nor be able to speak deceptive words without voice-suffering (stammer/stutter) nor without becoming shame-red/blushing, through which men can instantly recognise the bad of heart.

Since our language thus leads to happiness and Seeligheid, and therefore watches along side you over your own bad urges, that is why it is with every right called Good's language, and everyone who keeps it in honour will profit from it.

The Findas divided the world into countries and invented for every country a different language.

Not only can we Fryas not communicate with each other anymore, people can lie their heads off and nobody will see it. No longer can we recognise what is true and what are lies. The liars and deceivers have made sure that they blend in with the rest by changing all other people, who are now talking a foreign language, foreign to their own Seele. You want a real, clean connection to your Seele, you have to start speaking Diets again. Diets = folk language, Diets = Wisdom = truth/reality, Diets = bringing wisdom to the folk.

We have to go back to the beginning if we want to get out of this mess. Back to Truth, Reality. Back to Wr'Alda, back to Frya and back to our ancestors. We will have to learn how to live on this earth all over again. Not from the jews but from our own ancestors, the most intelligent people ever walking on the earth.

There are no white-lies, only black-lies.

The Deceptive OLB 'Translation'

- I will give some deceptive translations you will come across by reading the OLB:
- Not only do they present our culture, which is based on freedom, Frya = free people, and wisdom = truth & reality, as a religion, with a 'god', a flying ghost in the sky, called Wr'Alda;
- They purposely translated some words wrongly in which the whole meaning of the book changes;
- For instance: Tochta is being 'translated' as passions, not thoughts. So according to the 'translators' you need to have self-force to keep your passions in check. No, Tochta means Thoughts (in Dutch: gedachten, you can see the similarities in both languages with the root word Tochta), you need to have self-force to keep your thoughts, your Filter, in check, so you do not start fantasising and then believe these fantasies to be real. Your Filter will as a result enslave you;
- How can having the passion to travel around the world ever end up in slavery? It is not your passions that get you into trouble, it is your Filter, who wants more and more and more to satisfy itself ending up in you being addicted/enslaved to bad behaviour and habits. Alcoholism is not a passion, it is an addiction/enslavement to alcohol. Do you see the difference? Passions are not bad: a passion for doing the right thing, a passion for wisdom, a passion for truth and reality, they do not lead to slavery;
- Then we have undigerhed which, in Frisian, means carelessness. In Diets however it means submission. As the culture is about being free and slavery is forbidden: What do you think is the cause of evil: laziness, stupidity and carelessness or laziness, stupidity and submission? The 'translators' want you to be submissive, to a religion, to the government and to your own Filter. Submission is slavery and therefore strictly forbidden. Carelessness is the same as stupidity and laziness, it does not add anything new. Submission however is the final nail in the coffin of your freedom;
- The whole book is about teaching Fryas how to be free and how to avoid becoming a slave, from an other or from your thoughts;
- Now you keep that in mind when you read the book yourself. It helps to read the original. A lot of English words have their root in Diets, that can help you translating it correctly. Do not just blindly believe anything that is still on the internet. It has a purpose, otherwise it would have been censored. There is a reason why this book is still being allowed to be on YouTube and that is, because it has been 'translated' in such a way, that you will never understand what our ancestors tried to tell us.

The ‘Matrix’ = Your Filter

- You want to get out of the Matrix? Then stop participating in this Matrix. Stop listening to all this controlled opposition on the internet. Everybody on social media is fake. Social media was invented to keep you participating in the Matrix. Because no matter how real you are before you started, once you get in, you will become faker by the minute. The whole point is to drag you away from reality by filling your Filter with enormous amounts of lies and fantasies and make you BELIEVE. It does not matter whether it is true or not what people say/write. They do not want you to KNOW it is true, they want you to BELIEVE it to be true. Even if it is true, as long as you believe, you are in the Matrix. The only way out is to stop believing, to think for yourself and come to a conclusion. For that you have to go out, walk in the woods or on the beach, and use your common sense and Seele.
- There is no need to know which documents the government based their lies on, who said what and why. What this one said or that one. It is an overload of information and it is all about this giant YaH-Theatre that only exists in people's imagination. Nothing is real. It is a fantasy-world kept alive by the so-called 'truth'-movement who are reporting on every single detail. Who cares some Chinese died of the vaccine? Who cares there was a fire in Congo? 99% of the internet exists of reporting what is going on in either a fantasy-world, or things that are completely irrelevant. All the time you keep yourself busy with people dying in Japan, people being brainwashed in Russia or whatever, it is time not spend on you finding out who you truly are. In stead of you emptying your Filter, you stuff it with rubbish. In stead of connecting with family and neighbours you are wasting your time discussing fantasies with complete strangers living at the other side of the world.
- They keep you distracted from reality and pushing you to blame everybody else for the state of the world, so that you will not have the time nor the energy to have a good look at yourself and realize that you are the one keeping this fantasy-world going. They want you to blame the jews, the globalists, the khazarians, the zionists, the nazis, the bankers, aliens, reptilians. Because as long as you blame the others you will never figure out that you yourself are the one to blame.
- Your Filter is the Matrix you are whining about. You do not need to swallow a pill. What you need is to empty your Filter. It is the only way out. Now how many 'truth'-tellers have told you that? How many of them have told you to solve your internal conflicts, solve your own problems, take responsibility for your own life and stop believing? None, because all of them want you to stay in the Matrix. Their Fictional Personality is dependent on you following them, listening to them, validating them, even worshiping them. They will never tell you that you have the solution yourself. They need you to believe that they have the solution to all your problems. Stop the madness.

The ‘Matrix’ = Your Filter

- So, no they do not give a damn if you identify as a ‘pagan’, a ‘scientist’, a ‘nationalist’, a spiritual (= psychotic) being, consciousness, dog, vampire, ‘satanist, or any other Fictional Personality aka fake-identity, as long as you will never, ever, ever become a Frya. Because that would be the end of their domination;
- You can stuff your Filter full with whatever fantasies you can come up with;
- The only thing they are scared of is that you empty your Filter, stop believing and restore your Seele-Verbint;
- So if you really want to destroy the ‘Matrix’ then read the book of Anima Diets, it will assist you in solving your conflicts, emptying your Filter and start living in reality;
- Destroying the ‘Matrix’ means that you have to destroy your own Filter, because that is the ‘Matrix’ you are in. They ‘forgot’ to mention that in the movie;
- You do not have to take a red, blue, black, green, white or whatever pill people come up with, you just have to stop swallowing pills and start living in reality. Switch off the internet, throw away your TV and Smartphone and forget everything you have ever learned. Ignore the whole lot and live your life. Have fun with your family and neighbours, work together to provide yourselves with basic needs and leave this whole YaH-Theatre aka ‘Matrix’ behind;
- Protect your daughters as if your life depends on it, because it does. Without Frya women we do not have a future. Without Frya virgins we do not have any access to Wr’Aldas Wisdom;
- Protecting all our Frya girls and women should be our number one priority;
- All men promoting the defiling and subjugation of Frya girls and women are not real Fryas and are to be treated as the traitors they are;
- You can dismiss me, you can dismiss everything I wrote, but in the end you will realize that our ancestors were right, but then it will be too late;
- Be Free, Be Real, Be vigilant.

Get out of your Filter, Get out of the YaH-Theatre and get back to Reality.

Conclusion: The Root Of All Evil

- In conclusion the root of all evil is that what our ancestors already knew: Stupidity, Laziness and Submission;
- Freedom means free from an other person and free from your thoughts (beliefs);
- What else can I say? It was al written down thousands of years ago;
- We did not listen, we did not learn from our mistakes;
- On the contrary, we all became jews: convincing ourselves that Wr'Alda can only think with the help of our brains, because we are way more superior than Wr'Alda;
- We turned our back on his Wisdom, ignored his Éwa and became willing slaves of the jews;
- Each and everyone, who is not a true Frya, is a part of the Root of all Evil: everybody who wants to be governed, who wants to be told by others what to do and what to think; everybody who loves his Filter and spends day after day feeding its addictions; everybody who chooses to be a slave of an other person and his/her own Filter;
- Your Filter is the Matrix, your Filter is the reason this YaH-Theatre still exists;
- You are the problem because, and this is an absolute truth: "You cannot handle the truth". No schizophrenic aka Fictional Personality can handle the truth, you are your own worst enemy. You want to know the truth? Then first dismantle your Fictional Personality or you will never ever be able to handle the truth nor live in reality;
- The only way out is to get out of your Filter, because:

Your Filter is the Root Cause of all Evil:
It makes you Lazy, Dumb and Submissive.

It makes you end up as a completely schizophrenic slave.

In The End

- In the end I suspect they will get rid of all the freemasons. They have played their role in the modern 'science'-psychosis and the statism-psychosis. They have nothing to contribute and never did except aiding and abetting the plan of the top-Findas. They are useless-eaters;
- The Gulags can be easily get rid off by throwing a bomb on them or just cut the water-supply, so they will get rid of all those useless-eaters all at the same time. That will include also all the jews, as they will have taken up residence in their 'utopian' cities;
- What is going to be left are the top-Findas, whoever they are, who came up with this plan. Using the jews as their pawns, to execute their plan for world-domination, by keeping the jews, for thousands of years now, in the delusion that they are going to be the owners of the earth. That is not going to happen;
- I am pretty sure that the Top-Findas hate the jews, they despise them, why else would they force them to cut off their fore-skin, so they will never be able to connect to Wr'Alda? They have no problems killing jews and told the jews there is no problem killing their own, because they will all come back when Moschiach comes. Yeah right;
- If we are not capable to stop this madness, we can only hope Wr'Alda will make a move. However, as he did not interfere when the jews destroyed Germany in WW2 I highly doubt we can expect an interference;
- We have only ourselves to blame. Not the top-Findas, not the jews, are the cause of this mess. The moment people started to believe in fairy-tales and defending them as if their lives depended on them, whether that was 'Paganism', JudeoChristian, modern 'science' or Statism, we determined our own faith. People have willingly handed over the whole of the earth to the top-Findas;
- The only one you can blame is yourself. The only ones who are blameless are the ones who stayed true to themselves and Wr'Alda: the true Fryas. The people who, against all odds, all harassments, all ridicule, all scoffing, refused to believe any of the jewish fairy-tales. The true Fryas are the people who are hated by everybody, because they confront all the others everyday with truth and reality. There is nothing that people surviving on their Filter hate more than truth and reality;
- No not the 'truth' the 'truth'-movement is spewing, truth is reality, not the fantasies in the Filter. Most if not all of the 'truthers' are schizophrenic slaves of jewish lies;
- There is only a handful of true Fryas left on this earth. Unfortunately I have never met one. They are rare, extremely rare, but I am sure there are some out there. We have lost this war a long time ago and now I am fighting a battle we have already lost. People love their slavery, they love to be submissive to their Filter aka jewish fantasies. People are dumb and lazy. They have all become consumers of lies, too dumb and too lazy to think for themselves, use their common sense and take responsibility for their own lives;
- People love slavery, why else would they walk around with a Smart-phone: slavery in action.

The Road Ahead

- What needs to be done:
- First of all people need to stop participating in this psychotic YaH-Theatre. This means switch off the movie/YaH-Theatre:
- 1. Stop hanging on to judaism, Judaism 1.0: 'Paganism'; Judaism 2.0: JudeoChrIslam; Judaism 3.0: Modern 'Science'; Judaism 4.0: Statism; and all other invented (juda) -isms and New (Jew) Age nonsense;
- 2. Switch off the internet, throw away TV and smart-phone, pay in cash or exchange goods, say no to all 'progress' which is making life even more meaningless than it already is;
- 3. Restore the Seele-Verbint by emptying the Filter, solve the inner-conflicts and live in reality;
- 4. Ignore the government by organising small communities in which everybody governs him/her self, read the guidelines in the OLB;
- Secondly: The psychotic jews, muslims, christians, freemasons, communists, transgenders, (child-) rapists and all other psychotic schizophrenics have to be dumped on an Island somewhere, so they stop manipulating the whole world in accordance with their fantasy;
- Thirdly: The rest of the Findas and Lydas have to be given the choice: either they start living and behaving like a Frya or they are going to be kicked out of Fryasland. In any case nobody will give them houses, money, basic needs, etc;
- Fourthly: The circumcision has to stop, just like child-rape / incest / child-abuse. That is including vaccination, chemo-'therapy', 'education', sinterklaas/santa claus-lie and all other lies children are being told. Health-care should be based on Germaanse Heilkunde and education based on the OLB and other Germanic Science;
- The only way to get out of this Psychosis and live in peace and freedom again is to go back to the beginning: live like Frya and our ancestors have taught us: In truth and reality, in freedom and right.

Extras

- If you think/say now: "i do not believe anything that is written in this presentation." I can congratulate you. You are not supposed to believe anything I have written here. You are supposed to experience yourself whether or not it is true;
- If you have not understood correctly: even if the information, you believe in, is true, it still ends up in a fantasy. Why? Because the information is going to be dumped in this garbage bin of lies and fantasies. That means it will immediately become contaminated with whatever trash is in that bin. When tomorrow you give your friend a summary of this information it will be truths, half-truths, fantasies and outright lies, the total of it being a lie/fantasy. Everything will be twisted in such a way that it will fit all the other beliefs in your Filter. Therefore you need to KNOW, by experience, seeing proof or use of common sense, that it is true. Then it will not end up in your Filter but goes to your Mod/SWAS/'DNA' where only truth and reality is being stored;
- In addition, for your Filter it is absolutely possible to contain two beliefs which are the exact opposite. For instance a real conversation I have had many times: people agree with me that water is flat/level, always. It is a law of nature. (I know it is true, but people believe it, so it ends up in their Filter). Then they turn around and say but water on earth is curved. I say that is not possible, something is either flat or curved it can not be both, and water is flat, proven. You see the Filter accepts everything even 2 beliefs which are the opposite of each other. Everything is accepted, just as in a garbage bin. So, in this case there is a truth swimming around, however it is at the same time being negated because of a jewish fairy-tale they believe in. If these people would know, in stead of believe, that water is flat, it becomes impossible to believe a jewish fairy-tale. And that is why you need to KNOW whether something is true or not and not BELIEVE. Because in the world of make belief anything is possible and all truth will be twisted and turned so it fits nicely in your fairy-tales;
- Our whole education-system is based on this. They force children to believe in everything that is being said in school. At the end of their school career they KNOW nothing, but BELIEVE everything. Education is blowing up the Filter so large that it will block entirely the Seele-Verbint, the connection to truth and reality. The longer people stay in the school-system the more schizophrenic they become.
- It does not matter that in between all the lies there are also some truths: it will all end up in the same garbage-bin and everything that comes out of that Filter (opinions = delusions) will all be mixed up in a giant lie, a fantasy;

Extras

- Since some things people believe in, are actually true, people think that everything they believe in is true. Aahh nobody ever told you that everything you believe is a fantasy. Truth means knowing/ proven/ experienced, it means reality, it means it is stored in your Mod/SWAS/DNA'. The moment you KNOW something is true, the fantasy-version in your Filter will disappear;
- That is what we call emptying your Filter: not just deleting the lies, but proving the beliefs that are actually true, so it is no longer a belief and the fantasy-version will evaporate;
- The smaller the Filter becomes, the stronger the Seele-Verbint will become and with that your connection to truth and reality;
- The smaller the Filter will become, the smaller and weaker the Fictional Personality will become and at a certain point the Seele can take over command again and you will live on a Verus Personality again;
- You will be a completely different person, with different priorities and different interests;
- It is not all roses however. At the moment you have become real you will realize that everybody around you is crazy and insane. You will not be able to have conversations with your friends anymore. Although they are the ones being schizophrenic, they will call you crazy, because schizophrenic is the new normal;
- I am just hoping that there are enough people left with the Mod/courage to go back to the old normal and we can turn this ship, heading for the biggest iceberg that ever existed, before the crash will kill us all. There was probably never a Titanic, just a fairy-tale telling us that we are now currently on a Titanic heading for disaster;
- Let us stop dancing in our beliefs and start walking with our feet in the mud and turn this ship around.

" . . it was agreed that a nation or world of people who will not use their intelligence are no better than animals who do not have intelligence. Such people are beasts of burden and steaks on the table by choice and consent."

My Advice

- Solve your inner conflicts and empty your Filter. Find out if you indeed end up in a completely different person, who is not interested anymore in buying stuff you do not need, waste time on social media, need constant attention, need to gossip, be angry all the time, feel guilty all the time, etc;
- It does not cost you anything, just try it out. Find out for yourself whether it is true or not;
- Believing should be reserved only for people you personally know, who say something about themselves. Like your mother telling you she went shopping, you can believe that if you want to. However, the belief that your mother never lies, will become part of your identity. The moment you find out she also lies, you will get angry, because your Fictional Personality is being attacked. You had this nice fantasy about your mother and then it is being crashed. Everything is a lie until proven true, always keep that in mind. It makes sure you do not get attached to whatever people say;
- The whole idea is to empty your Filter. I did not write this presentation to be believed aka stuff your overflowing Filter with more beliefs;
- I am trying to drag you back into reality;
- If you prefer your fantasy-world, no hard feelings;
- I do not care. It is your life, your decision. Not my problem;
- As I wrote earlier I have already accepted we lost. But since everybody seems to get very happy from having a useless hobby, I decided to have one also. I picked the most useless hobby there is in this world: fighting a battle that we have already lost. But hey, feel free to surprise me, prove me wrong, show me we have not lost the final battle yet, show me that this hobby is not as useless as I thought;
- In any case I live my life as Fryas Bern (Fryas Child), It does not matter to me how others live their lives. I am just trying to be as good a Frya as I can be and honour Wr'Alda, Frya and our ancestors, by doing what they want me to do: live as a Frya and sharing the wisdom of how to live in Freedom and Diets. Everybody is invited to join me. Take it or leave it.

You alone have the solution in your hands, because you alone have the problem in your hands.

The YaH-Theatre

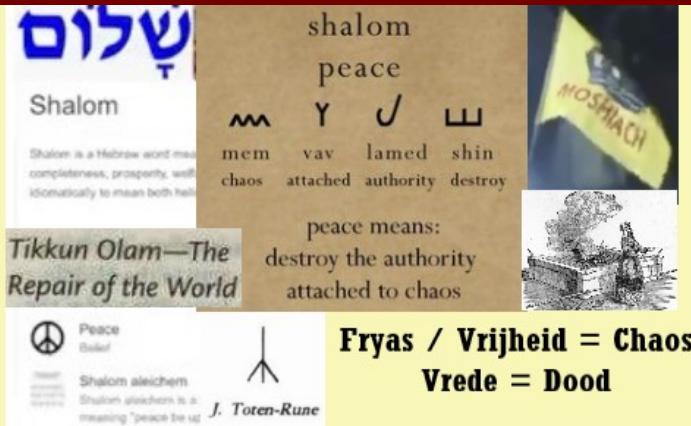

Sorry, it is in Dutch.
 Geld = money
 Wetenschap = science
 Regering = government
 Wetten = laws
 Onderwijs = education
 Gezondheid = health
 Zorg = care
 Bedreiging = Threat
 Zwendels = cons
 The rest please translate yourself.

The jews themselves say that the whole worldwide system is an anti-semitic myth, written in their IHRA-definition. They have already admitted it is not real, it is a fantasy. It only exists because people believe it and act upon it. If we step out of this psychosis it will disappear.

The Pro-semitic Reality is an Anti-semitic Myth dear Fryas:
 It is 1 giant YaH-Theatre. It does not exist, only in your Filter, the jews say it themselves.

The Achilles Heel

According to the jews: The 'holocaust' is true because it is written in the Torah and The Torah is 'true' because the 'holocaust' is 'true'. It is a circle-reasoning.

De joden moeten de wereld repareren dmv het uitroeiien van alle niet-joden.

The benedictions of the Sabbath teach the Jews that they must repair the world by exterminating the Gentiles. When they have accomplished that divine mission, their work will be complete and they can then rest and enjoy a peaceful thousand years in the Sabbath Millennium of the World to Come. The Sabbath Day of rest which religious Jews celebrate every week of their lives is a symbol reflecting the Sabbath Millennium. The benedictions they recite on the Sabbath remind them that they are the "chosen people" and the light who must wage a war of extermination on the Gentiles. (Exodus 23:23)

The whole YaH-Theatre stands or falls by the belief of us Fryas in the 'holocaust'-psychosis. At the moment all Fryas stop to go along in this psychosis the whole YaH-Theatre will go up in smoke.

Vrijheid = Freedom
Vrede = Peace
Dood = Death

Authority means self- rule (auto = self).

Shalom = They want to destroy the authority = Seele, which is attached to Frya.
(Chaos = kelliop = non-jews.)

They call that peace, meaning death.

It is That Simple

The curtain of the YaH-Theatre falls, once and for all

The 'holocaust' never took place.

The Torah is a jewish book of fairy-tales

Biblical texts speak of a new star appearing in the night sky to herald the coming of the Messiah. Scientists predict that such a "star" may indeed appear later this year – could it be the long-awaited "Star of Jacob"? And how does this tie in with other ancient prophecies about the End of Days, and major events happening around the globe today?

- 50:31 there's 20,225 words could that be another sign I don't know let's see
- 50:39 but on the sixth and seventh day which corresponds to the 25th of the Friday Saturday it
- 50:45 says that God is saying my wrath will be ignited on that day and this is where it

No 'holocaust' >
No Torah >
No chosen people >
No enforced Psychosis >
No Yah-Theatre.

Welcome in Reality!

Either we drop the curtain of the YaH-Theatre on them or they are going to drop the curtain on us.

- 37:18 days when is this going to happen on the 6 day sixth day means on a
- 37:25 Friday on the 25th day of the sixth month which
- 37:33 is what's the sixth month of the year right AI is the sixth month of the
- 37:39 year is in the seventh month so on the 25th of on the
- 37:45 Friday and then it's going to be this the star will appear on a Friday the 25th of el and then what it says it'll
- 37:53 be gathered on the seventh day on Shabbat I'm not sure what that means means that it'll be gathered on the seventh day and then it'll last for 70

My Analysis

- Here is my analysis, not to be believed but to be contemplated on;
- There is a clan of Yellow Findas, residing somewhere on an Island nobody has ever heard of. Thousands of years ago this Yellow Finda Clan decided they want to have the earth for them alone. For that it was needed to get rid of the Fryas, the people living according to Wr'Aldas Éwa. They hated the Brown Findas in general and the jews more specifically (they are all being circumcised);
- They wrote a script, the Torah, by using the psycho-pathology developed as a result of circumcision, and ordered the jews to execute it to the letter;
- In this script it is written that the jews have to exterminate all the non-jews, by means of poison ('plagues'), fires and wars. According to the script, when the jews do exactly what YHWH, the Yellow Finda Clan, orders them to do, they will inherit the earth. That is the motivation the jews have to execute the script;
- In order to make sure the Fryas are 1. not aware of what is going on: they told the jews to burn/hide all our books; 2. not capable of connecting to Wr'Aldas: they made the jews poisoning us with pharma-, 'food'-, 'health'-, electro-magnetic products and sex, lots of sex; 3. losing the connection to Wr'Aldas: they made the jews blowing up our Filters with the help of 'religion', 'education', media, entertainment, social media and other propaganda; 4. enslaved, submissive: they made the jews divide the world into countries and install governments, so no Frya would ever be free; 5. completely depended on the state making sure no Frya is taking care of his/herself, by ordering the jews to force the Fryas to work for someone else, their entire productive life, and tell the Fryas they need all kinds of devices to make their life easier. In other words they have made us lazy, dumb and submissive;
- There are 3 Gog and Magog wars, of which in two the Fryas were set up to kill themselves. The third one will be the Brown Findas against the Fryas, and they will all be exterminated. Despite the scripts ending, the jews will not survive;
- In the meantime they try to get as many Lydas as possible into Fryasland, who are also going to be exterminated. The few Lydas left in Africa will be used as workers, as they have the strongest bodies, but are in terms of brain and Seele-intelligence, no threat. It is also possible none of them will survive;
- All in all the Yellow Finda Clan has written a script in which the Fryas are disarmed by cutting them off from Wr'Aldas, using the jews as psychopathic pawns, slaves, to do the dirty work and in the end everybody will kill everybody and the only ones left will be the Yellow Finda Clan and maybe a handful of Lyda workers. And they will live happy ever after;

My Analysis

- Why will Wr'Alda let them inherit the earth?
- Because only the initial generation of the Yellow Finda Clan has sacrificed their own Seele by coming up with this plan: The script, The Torah. (Well maybe in every generation 1 or a few will be appointed to keep check on the progress, sacrificing their Seele); Once they gave the script, the Torah, to the jews, they, the jews did all the dirty work. The jews lost and lose their Seele by going against Wr'Aldas Ewa, making sure the jews will never inherit the earth;
- After the plan was set into motion, the children and grandchildren of this Clan did not need to do anything that goes against Wr'Aldas Ewa. I am pretty sure that this Yellow Finda Clan is living exactly as Wr'Alda, Frya and our ancestors have explained to us we have to live. They are the only ones on earth who, as a clan, live in freedom and Diets. They are the only ones still speaking our language. They have our books, they know how to live in accordance with the Ewa;
- In the OLB is written who inherits the earth: the people living in freedom and speaking Good's language. Back then the people doing that were the Fryas, so our ancestors assumed it was going to be us. But they also warned us to be vigilant: Wák (guess what happened?), never to change our language (guess what happened?), never to become lazy, submissive and dumb (guess what happened), never to become a slave from an other nor from our thoughts (guess what happened?);
- We lost because we became arrogant, ignored our ancestors, dismissed them as being dumb and ignorant, and everybody wanted to become the best slave of the jews anyone can become, because they promised money, possessions, status and fame, all being one giant illusion;
- In the meantime, there is a Yellow Finda Clan living happy in peace and freedom, who are completely unaware of this plan and have no idea what is going on in the rest of the world. They have no connection in any way to the outside world. With only one rule that once you leave the island you can never come back. Because within a month you will be corrupted to the core.
- "When Moschiach comes, the true name of 'god' will be revealed." What will happen if all the psychotic jews (and muslims/ christians/ freemasons / other believers) find out the true name of our Creator is Wr'Alda, and they have violated all of his Ewa? Psychotic people are extremely dangerous when you confront them with reality. It is going to be hell on earth;
- I can only hope that at that point Wr'Alda will cut their Tyd, so the true Fryas will survive;
- That is it for now in the English version. I do not know if their will be enough time to make a part 2 about everything they stole from us and twisted to fit in their Kabbalah-books. We will see.

Rabbi Song

There is one very important thing I need your help with. We need our fellow Fryas, the Germans, to be released from the enormous guilt-complex they are suffering under since WW2. They will have to solve their inner-conflict themselves. However we can help them with our support and tell them we do not BELIEVE. Let us sing a song.

"We're gonna lock you up", by Rabbi Astley Rick.

We're no strangers to lies.
You know it's true and so do I.
We've made a movie and now its, fact and real.
We love to blackmail you, It Is Shoah Time.

I just wanna tell you how you're fooled Goy.
How we tricked you, and rob you blind.

We are gonna lock you up.
We are gonna take you down.
If you don't pay the fine and BELIEVE us.
We are gonna lock you up.
We are gonna take you down.
If you don't shut your mouth and BELIEVE us.

We've had a vision, for so long.
It was all a scam but you, you're to dumb to see it.
Inside we both know Shoah, never was.
We made it up and you, are gonna pay now.

And if you ask me why you're paying.
I'll tell you, you're my, Shabbos Slave.

We are gonna lock you up.
We are gonna take you down.
If you don't pay the fine and BELIEVE us.
We are gonna lock you up.
We are gonna take you down.
If you don't shut your mouth and BELIEVE us.

We are gonna lock you up.
We are gonna take you down.
If you don't pay the fine and BELIEVE us.
We are gonna lock you up.
We are gonna take you down.
If you don't shut your mouth and BELIEVE us.

Ooooh, Lock you up.
Ooooh, Take you down.
We are gonna lock
We are gonna lock
Lock you up
We are gonna take
We are gonna take
Take you down

We've had a vision, for so long.
It was all a scam but you, you're to dumb to see it.
Inside we both know Shoah, never was.
We made it up and you, are gonna pay now.

I just wanna tell you how you're fooled Goy.
How we tricked you and rob you blind.

We are gonna lock you up.
We are gonna take you down.
If you don't pay the fine and BELIEVE us.
We are gonna lock you up.
We are gonna take you down.
If you don't shut your mouth and BELIEVE us.

We are gonna lock you up.
We are gonna take you down.
If you don't pay the fine and BELIEVE us.
We are gonna lock you up.
We are gonna take you down.
If you don't shut your mouth and BELIEVE us.

We are gonna lock you up.
We are gonna take you down.

We are gonna lock you up.
We are gonna take you down.
If you don't shut your mouth and BELIEVE us.

By fabricating lies about the Holocaust,
global Zionism has succeeded in distorting
historical truth in its favor... Hollywood
succeeded in influencing global public opinion
and creating the myth of the Holocaust...
"The Holocaust is a successful historical fiction."
- Rabbi Aryeh Friedman

I also wrote a song/ poem for all Fryas. It is on the next slide. The translation is on slide 77. There is no melody just a simple rhythm.

Fryas Sta Op

Fryas Sta Op

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak

Frya kijkt en Frya huilt
Ziet hoe onze deugd vervuilt
Wie kan zeggen ik ben vrij?
Vrij van baas en filterbrij?

Sorry Frya wij zijn slaaf
Lui en dom en veel te braaf
Maar lieve Frya wij staan op
Psychose gaat nu op de schop

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak

Fryas kinderen wereldwijd
Kom tesamen, uit je spijt
Veel te lang ging dit al door
Veel te lang was er geen gehoor

Wil je leven net als toen
Geef je Seele een dikke zoen
Wijsheid, Vrijheid is wat ze geeft
Recht en Vrede voor al dat leeft

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak

Wees standvastig, heb de Moed
Te staan voor volk en voor ons Goed
Fryas raad en Seele Pligt
Éwa die in onze Seele ligt

Moed is wat het nodig heeft
Zo veel dat de aarde heeft
Schudt het kwaad van je lijf oh Aarde
Het spijt ons dat we zo ontaarde

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak

Als morgen weer de zon opkomt
Hebben wij de filter leeggegomd
Bazen en leiders doen ons niets
Zolang wij praten in het Diets

Een nieuwe dag breekt nu snel aan
Fryas volk zal op gaan staan
Tegen onrecht, tirannij
Tegen leugens, slavernij

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak

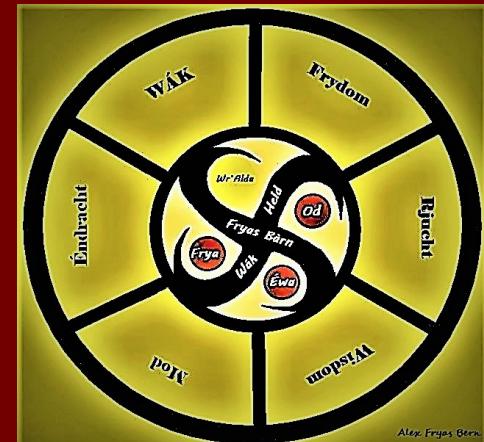

Wie kan zeggen ik ben echt
Ik heb mijn filter al beslecht
Moed is wat ik over heb
Ik ben niet langer in hun web

Vrijheid is waar ik voor sta
Wijsheid, Recht is waar ik voor ga
Nooit meer leugens en bedrog
Voldoende zelf-dwang heb ik nog

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak
